At a meeting held Wednesday evening of last week, Messrs. Frank Graham, Harold Murphy and Stanley Tyndall were appointed a committee to act with the management in purchasing.

Those interested in lawn bowling are urged to attend an important meeting in the Council Chamber to-morrow, Friday evening. If Richmond Hill is to join the league with neighboring clubs immediate action must be taken, and as the forthcoming tournament is on July 1st some energetic practising must be done and enthusiastic interest shown if the home club is to get a look-in.

JEFFERSON

A large number of friends and relatives gathered at St. John's church last Friday afternoon to attend the funeral of the late Mrs. Geo. F. Legge, who passed suddenly away at the home of her son-in-law, Mr. Larken, in Newmarket, on Tuesday. Mrs. Legge had her tea with the family as usual and retired early to her room. Shortly afterwards a member of the family went to her room with a glass of lemonade and found her lying on the bed partially undressed. A doctor was at once sent for, but when he arrived her heart had ceased to beat.

The service at the church was taken by a former pastor, Rev. Mr. Soanes of Aurora. The speaker preached an impressive sermon from the words: "Blessed are the dead who die in the Lord." Mr. Soanes referred to the faithfulness of deceased who was always ready to do what she could for the Master. The event seemed sadder from the fact that this was the third member of the family laid to rest in St. John's Cemetery within the last 11 months. Mr. Legge having passed away last June, and a daughter, Mrs. Larkin, in the autumn.

Deceased is survived by a daughter, Gladys, and four sons, the latter being too distant to attend their mother's funeral.

YOU

INSURE YOUR PROPERTY AGAINST FIRE

WHY?

To protect yourself, I presume would be your answer. Then why not protect yourself and family for the same reasons, with this difference. You pay for Fire Insurance knowing if nothing happens in the way of Fire you expect no return which I contend is good business. While you protect yourself and family it costs only an effort to save a little each year which is the hope of every person to have more this year than last. This saving deposited in the Confederation Life Association guarantees the return of all your money and some additional in a set term of years from 10 to 30 as you choose and in addition to this the Company guarantee to pay in case you die \$1000 and up according to the amount invested. Is this not better business? We can quote many good reasons why one should have protection. Send a card or call and see us and you will be informed with the necessary information.
