**Narrow Escape**

A number of spectators held their breath for a time Friday afternoon as they witnessed an automobile knock down and drive over little Freddie McCarthy, opposite the Standard Bank. It was purely accidental on the part of the driver of the car. The little boy scarcely 5 years old, started to cross Yonge St. in front of the car, but turned back and was trapped between the wheels. The owner of the car took the little fellow and had him examined by a doctor who found that he was not injured but badly frightened. The gentleman who was from Sutton, gave the child a piece of silver and returned him to his mother. The escape was miraculous.

**Richmond Hill Bowling Club,**

To the Citizens of Richmond Hill and vicinity:

The Lawn for Bowling is nearly complete, 4 good greens being ready. The club extends an invitation to those wishing to play this fascinating game, so secure a ticket for the season at the Drug Store or at standard bank or any of the officers of the club. As this club has entered a league and have several games yet to play, we would like a large membership as we can accommodate a goodly number of players each evening or afternoon. Try the game. You will have to admit that you can have more pleasure for the small fee than any game now being played out of doors. Get your ticket now and get in the game. R. Endean Pres. A. G. Savage Sec.

**MAPLE**

Mr. Storey, a missionary who is home on furlough from Argentina addressed the Methodist Sabbath School on Sunday afternoon. A large number of boys from the Y. M. C. A. Farm were present and many young people from Carrville also attended. The address was on Mission work in S. A. and was instructive and interesting. Mr. Storey also occupied the pulpit on Sunday evening and gave an account of the work on the San Pedro Mission.

Mr. Robeson Superintendent, and the other officers of the Sabbath School would be pleased to see the young people of the village take an interest in the work of the school, and attend regularly. The future of the church depend largely on the Sabbath School and the lessons learned there are never forgotten.

Mrs. Swanson and children of Banff are visiting her parents Mr. and Mrs. A. Martin. The Ladies Aid purposes holding an ice cream social on the church lawn on Friday evening.

**SAVE TIME—LABOR—MONEY—**  
**With Wind Power**

The wind is free. Put it to work on your farm. It will cut your chore-time in half—save you labor and time—make money for you. It will pump and carry the more than a ton of water used every day on an average farm.

A Toronto Windmill will put the wind to work on your farm. Not in the old-fashioned way. Toronto Windmills are modern—big, strong, efficient, requiring little attention, costing nothing to run, working quietly all the time.

Toronto Pumps and Toronto Water Systems complete a real water service. Gives you all the water you want under pressure at taps everywhere on the farm.

Toronto Pumps and Water Systems are also built for use with gasoline or electric motors.

We have some mighty interesting booklets on Windmills, Pumps and Water Systems. We'll send these free to any farmer who sends us his name and address.
