Who is a Gentleman?

The above question is often asked. Well, a gentleman is simply a man who is slow to take offence and slow to give it. He compels consideration from others by showing consideration to them. He is clean minded, clean limbed, clean cut from head to heel. And if he wishes to look well he can make no mistake by getting his clothes made at E. R. Fortner's tailor establishment, corner of Yonge and Richmond Sts., Richmond Hill.

Hay, interment took place in Scaboro, near their own home much sympathy is felt for the family in their sudden bereavement.

Epworth League

The Epworth League re-opened last Monday evening. A very pleasant and social time was spent. Mr. Fortner, the new president, delivered a most interesting and helpful address. He urged the members of the league to cooperate with the officers and stated that this was the only way in which the league could do effective work. A vocal solo was given by Miss Myrtle Smith which was enjoyed by all. The meeting next Monday evening will be in charge of the Christian Endeavour Dept. A very interesting address will be given by Rev. Mr. McNeill. Everyone cordially welcome.
