

There's A Fortune

To the man or woman who "gets in" right in the

RUBBER BUSINESS

The Careful Investment of your Earnings Will Alone Make you well off

The Rubber Industry is the Best Investment For Your Spare Dollars

THIS IS THE RUBBER AGE

It's a truism that more fortunes have been made in the rubber business than in any other industry or speculative venture. One rubber company alone, the first six months of this year, had a turn over of \$130,000,000. Over a billion dollars were spent for tires alone last year in the United States and the demand ever increases as evidenced by the immense additions to already mammoth rubber factories, dwarfing nearly all other industries. You middle-class people, with money drawing 3 per cent. look into this opportunity in rubber that may pay 300 per cent., it's worth investigating. Unless you invest your spare dollars you will never be well off.

The LION TIRE & RUBBER Co., Ltd.

AN ALL CANADIAN COAST TO COAST COMPANY

Presents an opportunity to Men and Women of Moderate Means to Invest Their Spare Dollars in a Canadian Rubber Company on a "Ground Floor" Plan. Study It.

Two of the best rubber engineering experts in the world to supervise the product.

One of the finest factory sites (on the Hamilton Highway) near another big Rubber Company.

WE WILL START WORK ON THE FACTORY NEXT SPRING.

A Common Share Offering to All (\$10 Par Value), and While it Lasts, a 30 per cent. Bonus.

There is big demand for an all-Canadian Rubber Company—else why IMPORT millions of dollars' worth of rubber goods annually?

We have a keen, clean Board of Ontario Directors, who have paid for the shares they hold. Only this Company's success means their financial benefit in it.

On a production of less than 4 per cent. of the Canadian demand for tires and tubes annually, we figure conservatively on three-quarters of a million dollars PROFIT.

The shares you pay \$10.00 for now and the free bonus shares may be worth \$500. Other Rubber Companies have shown better results.

It's an opportunity of a lifetime FOR THE PEOPLE. You cannot afford to let it pass.
