Boy Scout Notes.

The first Niagara Peninsula Scout Officers' Rally will be held in St. Catharines on Friday and Saturday, March 11th and 12th, according to information obtained from Provincial Scout Headquarters, Bloor and Sherbourne Streets, Toronto. It is expected that there will be a large attendance of Scoutmasters, Assistant Scoutmasters and other senior officers to participate in the programme, which will include conferences on troop organization and management, training programmes, recruiting leadership and general Scout activities.

The 1st Exeter Troop (Thomas Pryde, Scoutmaster), won the honor of receiving the first of the new charters now being issued to Troops by the Provincial Council for Ontario. In order to receive a charter for the conduct of a troop, the institution or group of people responsible for it must definitely accept responsibility for providing suitable leadership and adequate facilities for carrying on its work. It also appoints a Troop Committee of three persons to co-operate with the Scoutmaster in his work and to help in every way possible to advance the interests of the troop and its members.

On February 22nd, the birthday of Sir Robert Baden-Powell, founder and Empire Chief of the Boy Scouts, literally dozens of Boy Scout concerts, displays, dinners, etc., were held throughout the province, many of them largely attended by parents and friends. Other

excellent entertainments have recently been reported from Florence, Strathroy, Fenelon Falls and Sunderland. One of the biggest displays of the year will be that of the 3rd Toronto Troop, which takes place on February 23th and March 1st, and which will be a veritable "Junior Canadian National Exhibition." A splendidly arranged prize list indicates that there will be departments of Art, Collections, Domestic Science, Electricity, Maps, Manual Training, Models, Photography, Woodcraft and Inter-Troop Competitions. Most of the Toronto District Troops are represented in the entry lists.

NOTHING TO EQUAL BABY'S OWN TABLETS

Mrs. George Lefebvre, St. Zenon, Que., writes: "I do not think there is any other medicine to equal Baby's Own Tablets for little ones. I have used them for my baby and would use nothing else." What Mrs. Lefebvre says thousands of other mothers say. They have found by trial that the Tablets always do just what is claimed for them. The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach and thus banish indigestion, constipation, colic, etc. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Why We Blush.

Any shock or emotion which makes the heart pump an extra supply of blood into the arteries and veins which supply the face will give rise to blushing. The emotion, of course, must be one of the variety which causes the heart to beat faster than usual. Excitement, embarrassment, or anger will cause this, while fear, which retards the action of the heart, will produce a pale white look.

Because the shock or emotion must be one to which we are not accustomed, some persons blush far more readily than others. A person who is not in the habit of listening to certain language will blush from embarrassment when he hears it the first few times, but if the experience is continued he will become hardened and lose the ability to blush—which is the reason that blushing is considered to be one of the attributes of innocence.

Fiftieth Anniversary of Sun Life.

The year 1921 marks the fiftieth anniversary of the Sun Life Assurance Company of Canada, which in the half century of its existence had grown to be one of the largest and most successful life insurance companies in the world.

One year after it was organized, in 1872, the company's income was \$48,000; its assets, \$96,461; and it had written policies for a total of \$1,064,350. By the year 1880 the income had grown to \$141,402 with assets \$473,682, and insurance in force of \$3,897,139. From this time onward the development of the company, not only in Canada, but in stretching out to many other countries of the world, proceeded at a rapid pace, as the tables for the next four decades indicate:

1890 Income	\$889,000
Assets	\$2,473,000
Insurance in force.	\$16,759,000
1900 Income	\$2,789,000
Assets	\$10,486,000
Insurance in force.	\$57,980,000
1910 Income	\$9,575,000
Assets	\$38,164,000
Insurance in force.	\$143,549,000
1920 Income	\$28,751,000
Assets	\$114,839,000
Insurance in force.	\$486,641,000

Details of the financial statement of this company for the past year appear elsewhere in this issue, and will be studied with more than usual interest in this its Jubilee year.

A Word or Two.

"And," says I, "short is shorter if you add a syllable."
"But," says Sam, "a 'B' will make a road broad."
"A mere letter," says I, "turns a word into a sword."
"And another," says Sam, "is all the difference between here and there."
"Funny," says I, "What you can do with letters."
"She sells sea shells," says Sam, "always annoys me."
"Sam sawed six slick, sleek, slim, slender saplings, is more difficult for me," says I.

Perfume of Wood.

The North-western Indians nearly always made their totem poles out of Western red cedar, but this choice was probably due more to the fact that the wood is easy to work and extremely durable rather than to its fragrance. It may be taken as a very good general rule that woods that are scented are resistant to decay and insect attack, and have good cabinet qualities.

With the woods of the world to choose from one can easily arrange a whole scale of scents from the sweetest and most delicate of perfumes at one extreme to rank and overpowering odors at the other. The stores of the perfumer's shop will not yield a greater variety than one can find in woods.

Long-Distance Call.

Thomas Jones was sitting down to breakfast one morning when he was astounded to see in the paper an announcement of his death. He rang up friend Howard Smith at once.
"Hello, Smith!" he said, "have you seen the announcement of my death in the paper?"
"Yes," replied Smith. "Where are you speaking from?"

When He Had a Good Day.
Back in the dim distant years when the high cost of living was not an ever-present problem and some things were cheap, James Whitcomb Riley walked into a barber shop for a 5-cent shave. The proprietor of the shop was an old negro.
"Well, Sam, how are you getting along?" Mr. Riley asked.
"Mr. Jim, I had a very good day," Sam replied. "If I could make 75 cents between now and quittin' time I'd have a dollar."
