**McLAUGHLIN**

Like a new issue of coinage comes the new model of the  
McLaughlin Car.

The title "Canada's Standard Car" was not self-imposed. By  
many thousands the McLaughlin holds the preference in Canada  
over cars of the better make.

The famed McLaughlin-Buick valve-in-hand motor—the rug-  
ged sure working engine—gives to each of the seven Master  
Six models the staunch reputation of trustworthiness.

So when the McLaughlin appears in a new model, it but adds  
a distinctive character to an accepted standard of excellence.

Especially attractive are the new closed bodies not only be-  
cause of their added comfort, but because they are decidedly the  
vogue for both winter and summer driving.

Tariff and Non Tariff Ratings and all Policies give the pro-  
tection they are intended for and at the minimum rates. Get our  
rates before looking elsewhere. The Confederation Life Asso.  
issues a new policy without medical examination for \$1000, also a  
policy called the Family Policy, which is striking for its protection  
on man and his wife and many good features. Ask for the  
pamphlet, which explains all. This should appeal to all married  
men and women, because the company carries a small risk on the  
wife also, and costs nothing. No medical examination for the wife  
is required.
