CHILD WELFARE SPECIAL
Owned by Province of Ontario
Operated By
Provincial Board of Health

The citizens of this district will please note that the Provincial Government Clinic which is co-operating with the local physicians to improve the health and condition of infants and the young children of Ontario, will be at

**RICHMOND HILL, FRIDAY
JULY 22nd.**

Ontario's high infant mortality and the appalling percentage of malnutrition in growing children has made the institution of this service necessary. This is your clinic. You pay for it indirectly, just in the same way as you pay for your schools. Come to the clinic and bring your babies and children, so that your own physician and the clinic physician may together examine them and advise you of any defects found and of measures which should be taken to remedy the same.

Special Offer

The Richmond Hill Horticultural Society is offering to its members five prizes as follows, for well kept boulevards \$5 for the best, then in order \$4, \$3, \$2, \$1. There must be at least 7 competitors to ensure this prize. Get your neighbours to compete. Boulevards will be judged at Fall Exhibition--Saturday, Sept. 10.

IN MEMORIAM

Of Bertie Multon, who died on April 14, 1921.

One April morning, the buds
are blooming,
Layed a rose so sweet and fair,
In the garden of earthly bosom,
He lay sick, but oh so fair,
Parent's love around him watching,
For ten years of earthly bloom,
Bertie loved his duty, and his parents,
And to please them every way.

But a rose was sweet and precious,
That God most loved and called
his own.

That he, would no longer suffer,
To his bosom, plucked him from
this garden life.

How his parent's sadly miss him,
And his sisters from their play,
But his Saviour saw him suffering,
And he called him to his care.

O Call my brother back to me,
I cannot play alone.

The summer comes with flowers
and bees.

O call him back to me.

The flowers ran wild, the flowers we
sow,

Around our garden tree,
The vine is dropping with its load

O call him back to me.
