Tariff and Non Tariff Ratings and all Policies give the protection they are intended for and at the minimum rates. Get our rates before looking elsewhere. The Confederation Life Assn. issues a new policy without medical examination for \$1000, also a policy called the Family Policy, which is striking for its protection on man and his wife and many good features. Ask for the pamphlet, which explains all. This should appeal to all married men and women, because the company carries a small risk on the wife also, and costs nothing. No medical examination for the wife is required.
