YOU'LL GET GOOD ENSILAGE

With a **TORONTO** Silo

I HANDLE the Toronto Hip Roof Silo because I want to give my customers the biggest value. You can't have good ensilage unless you have a good silo. And Toronto Silos are good silos. Made of wood—the best non-conductor of heat and cold. Sturdily built from double

tongued and grooved staves of selected spruce impregnated with creosote, they give adequate protection against air and frost. Their special Hip Roof provides more space for filling.

I can show you where a Toronto Silo will mean more productive cattle, bigger profits, a more valuable farm—dollars in your pocket. Let's talk it over.

IN MEMORIAM

EYER—In loving memory of my dear son Merten W. Eyer, who died Aug. 22nd 1918.

One precious to our hearts is gone,
A voice we loved is still;
The place made vacant in our home
Can never more be filled.
Our Father in his wisdom called,
The boon his love had given,
And though in earth the body lies,
The soul is safe in Heaven mother.

EYER—In loving memory of our dear brother Merten, who died Aug. 22nd 1918.

Peaceful to thy silent slumber,
Peaceful in the grave so low;
Thou no more shall join our number,
Thou no more our sorrow know.
But again we hope to meet thee,
When the day of life is fled;
There with joys in heaven to greet thee,
Where no farewell tears are shed.
Luella, Mabel, and Ella May.

The Kodak on the Farm

Have you a Farm Album? Some day you may want to sell the farm. When that time comes, a photographic record of the crops you've grown, the livestock you've raised, will mean dollars to you. For pictures tell at a glance what a thousand dull words can never convey.

The autographic feature, found only in genuine Kodaks, makes your record complete with a date and title right on the picture.

Kodaks are surprisingly reasonable in price. Come in and see our stock.
