#### Make Good Your Credit at the Bank When Your Crops are Harvested

Your first duty after the crops have been harvested is to "clean up " advances at the Bank. The man who does this rarely has difficulty in obtaining credit.

You should give a statement of affairs to the Bank so that you may obtain the fullest credit to which your standing entitles you.

#### Annual Flower Show

Although the Flower Show this year did not offer as large a number of exhibits as on other occasions yet Trench's vacant store on the afternoon and evening of Sept. 3rd presented an attractive appearance. In the front apartment, in the window, large bunches of bellaenium and black eyed Susan from the Endean Nurseries were invitingly displayed. Immediately behind were Mrs. W. T. Graham's beautiful foliage plants and a flowering Map'e and other foliage loaned by Mrs. Pugsley. On the table against the north wall were magnificent cut flowers great bunches of gladioli, perennials, asters and nasturtiums while at the south side was the juvenile's display of asters and nasturtiums. In the rear apartment were the vegetables and fruits ranged around the room. Here was seen the lack of exhibits of adults but the children's gardens had produc d splendid cabbages, tomatoes, potatces corn etc. In the centre of this apartment on small tables were the table decorations which were exceedingly pretty. The rain of the early part of the day made the show go a little slowly but in the evening there was a good crowd. Next year we hope for many more exhibitors to take part.
