BITTER AT THE START

The contest in North York promises to be bitter, judged by the address of Mr. Armstrong, the Conservative Candidate, when he received the nomination on Saturday. According to a Monday's paper, in stating that certain parties were leaving Mr. Meighen, Mr. Armstrong said: "Tom Crerar got out," so did Fielding. So did The Globe, proving that when Judas Iscariot hanged himself in the days of Christ he didn't by any means eliminate his breed. The breed is here yet."

The above named gentlemen and The Globe supported a Union Government believing that voluntary enlistment was sufficient to keep up Canada's army at the front. Thousands of electors supported Union Government who are now opposing the present Government. Surely they are not to be classed with Judas Iscariot. Sacrilege should be avoided.

IN MEMORIAM

BAKER—In loving memory of Sergt. Sidney Baker, 164 Batt., son of James and Adeline Baker, Grand Valley, and deeply mourned husband of Mae Prior, Arthur, killed at Cambrai, Sept. 28th, 1918.

In the bloom of his life death claimed him,
In the pride of his youthful days,
He like our Saviour shed his blood,
That others might be saved,
That others might be saved,
—Sadly missed. Family.

Zion's Lutheran Church, Sherwood

THORNHILL

On Friday evening of last week the Thornhill Junior Horticultural Society closed a very successful season. Mr. J. Lockie Wilson, Superintendent of the Ontario Horticultural Association presented the prizes that were awarded at the recent exhibition of flowers and vegetables, and also for the vegetable and flower gardens cultivated by the boys and girls. Mr. Wilson expressed his pleasure at the good work being done by the society.

Mr. Alex. McGregor gave a short address on the value of horticulture in the development of character and as a cure for discontent. To love beauty and to work for the improvement of our home surroundings cannot fail to be beneficial to those who work and to those who see the improvements. At the close of his address he offered a cup for the garden competition of 1922.

Refreshments were served by the boys and girls and a social time was enjoyed. This is the first Junior Horticultural Society in the Province of Ontario. It was organized in March, 1921, with twenty members, the membership is now forty six. Mr. A. W. Galbraith has done good work in helping the boys and girls and supervising the work but they have their new officers and directors who take a keen interest in the work.

MAPLE

A congregational meeting was held in the Methodist church on Monday evening of last week. A short programme was given and a sociable time spent.

The Kodak on the Farm

Have you a Farm Album? Some day you may want to sell the farm. When that time comes, a photographic record of the crops you've grown, the livestock you've raised, will mean dollars to you. For pictures tell at a glance what a thousand dull words can never convey.

The autographic feature, found only in genuine Kodaks, makes your record complete with a date and title right on the picture.

Kodaks are surprisingly reasonable in price. Come in and see our stock.
