## Make Good Your Credit at the Bank When Your Crops are Harvested

Your first duty after the crops have been harvested is to "clean up" advances at the Bank. The man who does this rarely has difficulty in obtaining credit. You should give a statement of affairs to the Bank so that you may obtain the fullest credit to which your standing entitles you.

Village Council

The Council held several meetings recently dealing with business in general, but principally with water-works matters.

Letters were read from the firm of Ofield & Cotton, and the C. N. R. Railway relative to a supply of water.

An application was made for a licence to operate another pool room in the Village, but the request was not granted.

Mr. H. B. Stirling was appointed Inspector in connection with the water system now being installed.

The Council was asked its approval of plans of subdivision of part of the Rumble farm. The plans submitted were approved.

A committee made a request for assistance for the Village Band. A grant of \$50 was made.

The Engineer was instructed to advertise for tenders for service goods and meters.

## R. H. H. S. Field Day

The Richmond Hill High School held its annual field day on Friday, Oct. 14th in the park. Due to the untiring energy of the various committees and the keen sportsmanship of the competitors the field day was a great success.

The local clergymen very kindly acted as judges of the sports which were well arranged by the committee under the convenship of Allan Armstrong and Jack Glass. The races were both interesting and amusing. The pupils were ready for the races and the competition was close. The broad jump, the standing jump and the hop, step and jump were very well done. The coat race, needle race and sack race were especially amusing on account of the various difficulties to be overcome. Many prizes were won but the Senior medal was carried off by Lambert Atkinson while the Junior medal was won by Gerald Lyon. The girl's Senior medal was won by Isobel Cowie, and Marion Forrester captured the girl's Junior medal. The medal winners are all pupils of Second Form. Refreshments were sold at the booth and among the people during the afternoon. After the sports a social evening was held by the pupils in the school where a jolly evening was spent in games and dancing after which refreshments were served.

## Keffer--Downey

Sherwood Lutheran Church was lovely with begonias and fall foliage for the marriage at 3 o'clock last Wednesday, of Verna F. J., eldest daughter of Mr. and Mrs. Jas. H. Downey to E. Roy Keffer, son of Mr. and Mrs. T. A. Keffer, both of Sherwood. The ceremony was performed by Rev. Baringer.

The bride entered the church leaning on the arm of her father to the strains of Lohengrin's wedding march played by her cousin, Mr. Secord Hardwick, of Victoria College, Toronto. She wore pussy willow satin, with trimmings of silver lace and pearls, with court train and coronet of orange blossoms over her tulle veil, and carried a bouquet of baby's breath roses, lily-of-the-valley and maiden-hair fern. Miss Iva Downey, in pale blue crepe de chine, was her sister's bridesmaid. She carried a bouquet of ophelia roses. Mr. Ellsworth Keffer, twin brother of the groom ably fulfilled the duties of best man, and the ushers were Mr. Harold Taylor, of Bolton, and Mr. W. H. Campbell, of Toronto University, cousins respectively of the bride and groom.

After the ceremony about eighty guests repaired to the bride's home where a sumptuous repast had been prepared. The groom's gift to the bride was a gold sunburst; to the bridesmaid an opal ring, and to the best man and organist, gold cuff links. On her departure for her honeymoon, the bride wore a brown duvetyn suit, trimmed with seal fur and beads with hat to match. The bride was the recipient of many beautiful and costly gifts including a handsome sum of money. After visiting friends in Cleveland, Chicago and Hamilton, Mr. and Mrs. Keffer will reside at Sherwood.
