

Hon. T. A. Crerar
Leader U. F. O.

Mr. Henry Moyle who in a previous letter called himself a Liberal, finds fault in this issue, with Mr. Macgregor's platform regarding Agriculture and the tariff. We take it that Mr. Moyle wants a lowering of the tariff, but he does not say to what extent. He also finds fault with Mr. Fielding, former finance minister, a man who went out of power endeavoring to get the American market for our farmers, and is now speaking on many platforms for a reduction and revision of the tariff. Yet Mr. Moyle has not a word to say about Mr. W. F. MacLean who prides himself a high Protectionist.

Lady Laurier, widow of the late Sir Wilfred Laurier, died at her home in Ottawa on the first of November. Deceased was in her 80th year. Lady Laurier before her marriage, was Miss Zoe Lafontaine of Montreal. Her name has been long associated with charitable work, and although she was not very much in the public eye, she always took a deep interest in the affairs of her illustrious husband.

TOO MUCH FREEDOM

Three men escaped from the Jail Farm Saturday night. One of them was captured at East Toronto the next night as he was about to board a freight train for Montreal. The other two prisoners were captured in Brockville on Monday evening. Provincial officers started at once from Toronto to bring the men back. Another officer has started for Vancouver for a man who was arrested in that city, who had escaped from the Farm several months ago.

Both the public and the inmates look upon the Jail Farm as something little less than a joke. The prisoners go when they wish, and work when they wish. They are well fed, and have more than ordinary accommodation. With so much attention paid them, the wonder is that they try to escape. Giving men so much freedom and putting them on their honor will never work out right on a jail farm.

Mr. Len Wallace, Reeve of Woodbridge, Worden of York County, has definitely announced that he will be a candidate at the coming federal election in West York. An article in Tuesday's Evening Telegram states that many Conservatives in the riding are not satisfied with the way the nomination was captured by Mr. A. J. Anderson, declaring that the convention was plugged. The article in The Telegram concludes as follows:

"They can't fool us that way. We know Wallace can win. There are enough straight Conservatives in this riding to see to it that he does win—convention or no convention. If the last convention had been a straight Tory one Wallace would have been nominated. But when a man who has never before been anything but an out-an-out Grit is nominated, you can take a pretty good guess as to what sort of persons constructed the convention."

Stiles—Hume

A pretty wedding took place at the home of Mr. A. J. Hume, Monday afternoon, when his only daughter, Winnifred, was married to Mr. Earnst Stiles, of Whitechurch. The bride was given away by her father, and the ceremony was performed by Rev. H. S. Warren, of Toronto, cousin of the bride. The guests were the immediate relatives of the contracting parties, and a few very intimate friends. The wedding music was played by Miss Gertrude Derry, of Toronto. Needless to say the bride was the recipient of many beautiful and useful gifts. The home was tastefully decorated with seasonal flowers. After the supper, which was one of the best, with a particularly artistic wedding cake in the centre of the table, the usual toasts were proposed and responded to, the groom expressing their thanks for much kindness shown himself and bride. Amidst a shower of confetti and good wishes the young couple left in the evening for a short trip to Niagara Falls and other places. On their return they will reside at Gormley.

VICTORIA SQUARE

The debate between the Guild of Melville and The League here on Thursday, Oct. 27th, was one of the events of the week. The subject of debate was "Resolved that none but English speaking immigrants be admitted to Canada. Affirmative Melville Guild. Negative Victoria Square League. The debaters for the affirmative Mr. A. Meyers, Miss Janet Brodie and Mr. G. Francey. For the negative, Misses Gambol and E. Mortson and Mr. J. Ferris. After a very interesting discussion the judges—Messrs. A. Davison, Unionville, Stouffer, Stouffville, and E. J. Hitchcock, Victoria Square, decided in favor of the affirmative. Lunch was served by the League.

On Friday evening the community gave a farewell to Mr. Harvey Collard and his sisters. An interesting programme was given and speeches were made by Messrs. R. Boynton, A. Frisby and an address was read to Mr. Collard expressing appreciation of his services to the neighborhood. Harvey replied expressing regret at severing his connection with the vicinity and thanking those who had wished him a good speed for the future.

On Saturday evening, Oct. 28th, Messrs. Wm. Nichols and J. Gambol, Rusholme Place, entertained their friends at a Halloween party. Decorations suggestive of the season were tastefully placed here and there and the guests enjoyed the games the sing song and the lunch provided. A thoroughly enjoyable time was spent.

You Need a Good Engine

You can't realize the money-saving value of a good farm engine until you've seen how much more quickly and efficiently you can clear

up the numerous odd jobs about the farm.

For milking, separating, churning,

ing, sawing, grinding, sharpening tools, mixing cement, shelling corn, filling the silo—there's nothing I know of that will give better service with so little attention as a Toronto Engine. And they operate on either kerosene or gasoline.

Let me explain in detail these sturdy little workers next time you pass my way. Don't forget to see their able assistants—The Toronto Saw and the Toronto Grain Grinder—at the same time.
