

Mother! Clean Child's Bowels With California Fig Syrup

Even a sick child loves the "fruity" taste of "California Fig Syrup." If the little tongue is coated, or if your child is listless, cross, feverish, full of cold, or has colic, give a teaspoonful to cleanse the liver and bowels. In a few hours you can see for yourself how thoroughly it works all the constipation poison, sour bile and waste out of the bowels, and you have a well, playful child again.

Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful to-day saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.

Would You—?

Would you be at peace? Speak peace to the world.
Would you be healed? Speak health to the world.
Would you be loved. Speak love to the world.
Would you be successful? Speak success to the world.
For all the world is so closely akin that not one individual may realize his desire except all the world share it with him. And every good word you send into the world is a silent, mighty power, working for Peace, Health, Love, Joy, Success to all the world—including yourself.—Elizabeth Towne.

His Hearing Restored.

The invisible ear drum invented by A. O. Leonard, which is a miniature megaphone, fitting inside the ear entirely out of sight, is restoring the hearing of hundreds of people in New York City. Mr. Leonard invented this drum to relieve himself of deafness and head noises, and it does this so successfully that no one could tell he is a deaf man. It is effective when deafness is caused by catarrh or by perforated, or wholly destroyed natural drums. A request for information to A. O. Leonard, Suite 437, 70 Fifth Avenue, New York City, will be given a prompt reply. advt.

Protecting Warriors of the Present Day.

When body armor "came back" during the late war, the United States authorities sought hints from the great collection of medieval armor at the Metropolitan Museum of Art in New York City, and consulted specialists in that branch of archeology, says a Philadelphia despatch.

So admirable was the craftsmanship of the old-time armorers that improvement on their work was obviously out of the question. But the modern war experts were quick to see that they had at their command two very noteworthy advantages. One of these was steel made extraordinarily hard with alloys of tungsten, nickel or vanadium. The other was machinery.

An old-fashioned suit of armor may have required the labor of a year or more for a skilled hand in its production. Modern machinery can chop out the requisite parts from sheets of steel by thousands at small cost. It is not required that the metal clothing shall be decorative, but merely that it shall be bullet-proof.

In the war good alloy steel hardly thicker than ordinary blotting paper proved an effective protection against pistol bullets, the light weight of modern armor being one of its most notable advantages as compared with the old style. French hospital records proved that 70 to 80 per cent of the wounded were injured by missiles or shell fragments which steel of this small thickness would have stopped.

Steel alloyed with manganese was found best adapted for helmets of which 7,000,000 were ordered and 2,700,000 delivered for the American troops before the war's end. To prevent the helmets from reflecting light, they were painted, and while the paint was wet a coat of sawdust was bestowed upon them with a blower.

His Sole Attraction.

Ancient Adorer—"I could sacrifice all my wealth for your love."
Young Adored—"If you did anything so foolish I should never love you."

That's All.

A six-year-old girl submitted the following composition on "People" to her teacher:

"People are composed of girls and boys, also men and women.

"Boys are no good at all until they grow up and get married.

"Men who don't get married are no good either.

"Boys are an awful bother. They want everything they see except soap.

"My ma is a woman, and my pa is a man. A woman is a grown-up girl with children.

"My pa is such a nice man that I think he must have been a girl when he was a boy."

A Dubious Outlook.

The wealthy young man who was trying to learn to work had fallen in love with the daughter of his employer, but he found that his path was by no means clear of obstacles.

"You tell me that your father objects to your marrying me" he said, in a crestfallen way. "Is it because I am in his employ? I can leave it and go back to a life of idleness if he prefers."

"Oh, no, that isn't what he wants," said the fair one. "He says I may marry you just as soon as you're valuable enough to have your salary raised."

CAN WORK EVERY DAY SINCE TAKING TANLAC.

Troubles Gone, He Eats Anything and Feels Fine All the Time Now.

"I am putting in full time at work since Tanlac has got me in such fine shape," said William Page, 29 Hamilton St., Toronto, Ont.

"My troubles had been pulling me down for six years and during all that time I hardly knew what it was to ever feel good. My stomach was all out of order and as regular as I ate anything I had to pay for it in suffering. There was a burning like fire in my stomach, I would bloat all up with gas that nearly cut off my breath and at times I had such smothering spells that I thought each breath would be my last. I had frequent attacks of rheumatism in both knees and ankles and sometimes these spells nearly laid me out altogether. My nerves were all unstrung, I was restless all night long and could sleep but little, and when morning came I never felt fit for work.

"But Tanlac straightened me out and to-day I am feeling fine and in absolutely sound health. I have a corking good appetite and can eat anything set before me and digest it as good as I ever could. My nerves are strong as steel and the rheumatism has just about completely gone. I sleep like a top and get up mornings ready for a big day's work."

Tanlac is sold by leading druggists everywhere. Adv.

Real Rest Depends Largely Upon the Depth of Your Sleep

A warning to "light" or "poor" sleepers

The deeper and sounder you sleep the better you feel. Five hours sound refreshing sleep does you more actual good than ten hours restless, disturbed sleep.

This is because the final conversion of food into vital tissue and nerve cells goes on more rapidly when the physical and mental forces are at rest.

You can't get sound, refreshing sleep if your nerves are agitated with tea or coffee. Both these drinks contain caffeine, which is sometimes very irritating to the brain and nervous system.

If you want to know the joy, vigor and stamina that comes to the person who gets sound, healthful sleep, why not stop taking tea or coffee for a while, and drink delicious, invigorating Postum instead.

Thousands of people everywhere have found that this was the only thing they needed in order to bring about these very happy results.

Order Postum from your grocer today. Drink this delightful cereal beverage of satisfying flavor, for a week. Perhaps, like thousands of others, you'll never be willing to go back to tea or coffee.

Postum comes in two forms: Instant Postum (in tins) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make the drink while the meal is being prepared) made by boiling for 20 minutes.
