## A Spring Day Up in Muskoka

A Spring day in Muskoka, with sky and water vividly blue; the smell of pine, the song of birds in the air. On a sunny slope a girl gathered trilliums with eager hands. She smiled at the questioning stranger.

"I never picked wild flowers before," she said wistfully. "We lived in the city. Father died, and then—mother, of tuberculosis. I was all alone. I wasn't strong,—worked too hard,—and I got it. They brought me here to the Sanitarium on a stretcher."

"But, look at me now!" exultantly. The glow of health was in her cheeks. "It's the rest and care and good food and fresh air that saved me," and her eyes shone joyously.

Surely she was worth saving, this bonny, blue-eyed girl! Surely the Muskoka Hospital for Consumptives deserves her gratitude!  
Contributions may be sent to Hon. W. A. Charlton 223 College Street, Toronto.

### CARD OF THANKS

T. F. McMahon Esq.  
Editor The Liberal  
Dear Mr. McMahon:

It is very encouraging to me to learn that Richmond Hill, Thornhill, Willowdale and other centres where your paper circulates, have all recorded majorities for me in the recent election. A sense of the appreciation of such communities, where I have so many dear old friends, and also many valued new friends, is in itself a great satisfaction to me.

Please allow me, through your columns to assure all who voted for me that I take their valued support as a call to me to ever do my utmost, to be worthy at their support.

It is pleasing to me to know, at the close of my second campaign with Mr. W. F. Maclean, the sitting member, that we are still friends.

These are vital days in Canada's history, and to have done one's utmost without personalities, for instructive and helpful discussion of our great and pressing problems, was well worth while.

Yours Sincerely  
ALEXANDER MACGREGOR  
Liberal Candidate in South York.
