THORNHILL

The monthly meeting of Thornhill Horticultural Society will be held in Victoria Hall Thursday evening, March 23, at 8 o'clock. Mr. Dockray of Toronto will give an illustrated address on "The Improvement of Home Premises."

Midget Final:

The first of the home and home games between Thornhill and Newmarket resulted in a tie, 5-5. Thornhill was leading the first period 3-1, but Newmarket tied the game in the last period. Both goal keepers started. The return game to Newmarket was played Friday night, when Newmarket won 3-0 winning the round 85. This game was fast and it was hard to pick the stars as all the boys played good hockey. Harold Brillinger, goal keeper for Thornhill, was cut under the eye with a puck and showed good pluck in keeping goal after he had the cut bandaged. The ice was very heavy.

MAPLE

A farewell party was held on Friday night at the home of Mr. and Mrs. McDowell who are soon going to move to Toronto. During the evening Mrs. McDowell was presented with a cut glass berry bowl in appreciation of hospitality shown while living in this vicinity.

It has been decided to build the community hall at the north end of the village.

The monthly meeting of the Women's Institute was held last Wednesday at the home of Mrs. H. E. Keffer. Afternoon tea was served at the close of the programme.

Mr. Wm. Speight an old and respected resident passed away last Wednesday after a lingering illness. The funeral took place on Friday after-

noon and was conducted by the I. O. F. The service at the house was taken by Rev. S. R. Robinson and Rev. Mr. Lambert. The floral offerings were beautiful and were a tribute of love and respect to the deceased. The sympathy of all is extended to those who are left to mourn his loss.

While riding on a wagon, Irene Jones had her foot caught in the wheel of a cultivator that was fastened to the rear, and severely injured.

Mr. Bert Boston is moving this week to the farm which he recently bought near Gormley.

Miss Lottie Dinwoodis of Cockstown and Miss Willoughby of Toronto are visiting at Mr. G. Lawrie's.

Here's the Point

Do you throw away an overcoat just because the weather is warm for a few days or do you keep it for a cold spell?

Then why throw away a good opportunity for insurance just because you think next month will do? It is the unexpected that always happens.

Accident and sickness insurance is a grand protection for you and family.
