**Canadian National Railways**

Our good friend, The Markham Economist, does not favor the idea of York County purchasing and operating the Metropolitan Railway, but apparently does not object to Toronto buying the same line. The paper says: "We do not believe it right for one municipality to control the streets in another municipality."

In the eyes of The Economist it would be a crime for the county to control two or three miles in Toronto, south of York Mills, but it might be quite proper for Toronto to control twenty or thirty miles of Yonge Street in the county.

**PRESBYTERIAN CHURCH**

The W. M. S. of the Presbyterian church held its May meeting at the home of Mrs. Frank Atkinson.

Even though a very unpleasant night, the attendance was splendid. Mrs. Sarah Morrison, from Sutton, one of the Vice-Presidents for Section 4, of Toronto Presbyterial, addressed the members, giving advice and explanations in connection with the work of the society. Her address was very much enjoyed and appreciated.

Miss Marjorie Atkinson sang a solo very acceptably, accompanied by Miss Ireland.

Will all members and others interested try to attend the June meeting at the home of Mrs. Ireland.

**Commendable**

Pupils of Miss Marguerite Boyle, are demonstrating most effectively the value of the training they receive from this well-known elocutionist. Little Marguerite Echlin, daughter of Mr. and Mrs. Fred Echlin, was heard to great advantage in Thornhill Methodist church and at Richmond Hill in the Presbyterian church. Last week the wee lassie was heard again at the former church, and Miss Jean McDonald recited on the same occasion, both receiving warm recalls. Masters Reid and Alex. Fee, sons of Mr. Fee, of the Eaton Company, are two boys who have shown considerable dramatic skill under Miss Boyle's able tuition, they having recited on various programmes in the neighborhood, while another pupil, Miss Rhoda Barker, of Richmond Hill, has shone on different occasions. Miss Carroll Langstaff, daughter of Dr. Rolph and Dr. Lillian Langstaff, has appeared on several local programmes with great distinction. It is a great satisfaction to be able to report such excellent results from the studio of a teacher, who has decided to carry on in our midst rather than remove her studio to the city.

**Here's the Point**

Do you throw away an overcoat just because the weather is warm for a few days or do you keep it for a cold spell?

Then why throw away a good opportunity for insurance just because you think next month will do? It is the unexpected that always happens.

Accident and sickness insurance is a grand protection for you and family.
