Holding Convention at Popular Resort

Pleasure and business will be combined at the 1922 convention of the Canadian Manufacturers' Association. The first step in this direction has been the selection of the pleasant resort of St. Andrew's-by-the-Sea as the place of convention, instead of a large city, as in previous years.

The convention will continue over four days, from June 20 to June 23. Business will be taken up only in the mornings, and in the afternoons outdoor sports and recreation will infuse a little of the holiday spirit into the convention. Lectures have been arranged to take place in the evenings. These will be delivered in the Hotel Casino, and will be illustrated by lantern slides. The British West Indies, the Maritime Provinces and the industrial development of Canada are some of the subjects on which experts will address the convention.

Knee Injured

The cheerful countenance of genial John Clark was unaltered at the passenger gate leading to the Fair on the 24th of May. As that was the first time in over 30 years that Mr. Clark was absent from his post, many old friends anxiously enquired the cause. It was learned that a short time ago Mr. Clark was struck in the knee by a baseball the result of boys playing in the street.

C. is arranging for a grand display of Fire Works, that the Cadets may have this as a Night of Nights. Mr. Harry Stirling will assist in this work.
