

Death of Arthur Quantz

Many old friends learned with regret of the death of Mr. Arthur Quantz last Friday, following a ten days' attack of pleuro-pneumonia. The funeral Monday afternoon was conducted by Rev. Mr. Hay and Rev. Dr. Paterson. The funeral was large. The attendants included many former colleagues and County officials, and relatives and friends from a long distance. Besides a sister and two brothers, deceased is survived by three sons and a daughter, and his widow who is also suffering from the same disease as her late husband.

House Fell

Last Sunday morning about 11 o'clock a house belonging to Mr. Wray collapsed just below lot 40, stop 45, Yonge St. Mr. and Mrs. Wray were the only occupants of the house at the time of the unusual occurrence. Mr. Wray who was shaving himself cut his face with the razor, and in falling with the house, had his nose broken. Mrs. Wray was also cut about the head, and a doctor was summoned to dress the wounds of husband and wife. To make matters worse the lighted coal oil stove blazed up in the fall, and Mrs. Wray narrowly escaped being burned. Fortunately neighbors came to the rescue, and did good work. The house stood on cedar posts, the owner expecting later to place it on stone foundation.

MAPLE

Rev. Dr. Ciave, of Toronto, again occupied the pulpit of St. Andrew's church on Sunday in place of Rev. S. K. Robinson who has had another attack of illness.

The directors of the new community Hall had a grand opening on Friday evening, when the hall was crowded to the doors at the concert given by the famous Ben Hokea and his orchestra. Every number on the programme as well as the encores highly delighted the large audience. Dr. F. Routley acted as chairman and short addresses were given by Rev. Mr. Roberts, Rev. R. K. Lambert and Mr. J. A. Cameron. After the concert a Community Dance was held, to which many remained. The proceeds of the concert and dance were nearly four hundred dollars.

Mrs. C. Norman entertained her Sabbath School class of girls at her home on Saturday.

Mr. and Mrs. Taylor of West Toronto visited over Sunday at Mr. W. O. McDonald's.

Miss Duffy of Toronto spent the week-end at Mr. J. T. Saigeon's.

Several places including the G. T. Station and Cousin's Cottage were broken into one night last week. Although quite a sum of money was left in the station the burglars were scared away without securing it. At the cottage they got a suit case, some clothing and small articles.

YOU'LL GET GOOD ENSILAGE

With a **TORONTO** Silo

I HANDLE the Toronto Hip Roof Silo because I want to give my customers the biggest value.
You can't have good ensilage unless you have a good silo. And Toronto Silos are good silos. Made of wood—the best non-conductor of heat and cold. Sturdily built from double

tongued and grooved staves of selected spruce impregnated with creosote, they give adequate protection against air and frost. Their special Hip Roof provides more space for filling.
I can show you where a Toronto Silo will mean more productive cattle, bigger profits, a more valuable farm—dollars in your pocket. Let's talk it over.

Here's the Point

Do you throw away an overcoat just because the weather is warm for a few days or do you keep it for a cold spell? Then why throw away a good opportunity for insurance just because you think next month will do? It is the unexpected that always happens.

Accident and sickness insurance is a grand protection for you and family.

"Why are we the Agents?"

Because we know that THE CANADIAN STEEL & WIRE COMPANY, LIMITED, spend thousands of dollars every year in improving their fence and that they give honest value always. Every roll is exactly as represented.

"CANADIAN" fence is FULL GAUGE No. 9 WIRE throughout and the galvanizing will not peel off or crack. It has the famous "CANADIAN" knot and costs no more than lighter and less durable fences.

Anyway, come in and examine it. We'll show you the "AMERICAN" Galvanized Steel Fence Post, too.

We can sell you this fence as cheap as you can buy fence anywhere.
