

By a vote of 37 to 31, the Senate decided on Saturday in favor of maintaining the status quo in British Columbia and permitting private individuals to import liquor into that Province. A clause in a bill to amend the Canada Temperance Act, which would have made the importation of liquor into British Columbia, a monopoly of the British Columbia Government was struck out.

MAPLE

Sabbath School anniversary services were held in Hope Church on Sunday afternoon and evening when impressive sermons were preached by Rev. McD. Hay of Richmond Hill. The choir of Dufferin St. Presbyterian Church, Toronto, rendered excellent music. Hope church which has long been connected with Maple, will probably be closed after this year.

A miscellaneous shower in honour of Miss Annie Rumble prior to her marriage to Mr. Geo. Matheson was held on Monday evening at the home of Mrs. E. Forbear.

On Tuesday of last week Mr. P. White's team ran away in the village. In trying to stop them Mr. White was knocked down and received some very painful injuries.

While unloading harrows from a wagon on Thursday last Mr. G. Blough's team took fright, and started off throwing Mr. Blough out on top of the harrows. Two painful cuts in the forehead required fourteen stitches.

Rev. D. Davidson who is home on furlough from India, with his wife, spent several days last week at the home of Mr. A. Robinson.

Mr. J. Cousins of Hamilton, Ohio, is spending the week with his uncle Mr. T. A. Cousins.

There will be no service in the Methodist Church on Sunday morning as the pastor will officiate at the services in the Hope Methodist Church at 11 o'clock.

Here's the Point

Do you throw away an overcoat just because the weather is warm for a few days or do you keep it for a cold spell?

Then why throw away a good opportunity for insurance just because you think next month will do? It is the unexpected that always happens.

Accident and sickness insurance is a grand protection for you and family.

A Safe Rule to Follow in Buying a Used Car

A fundamental rule of good business is to know what you are buying and from whom you are buying. This rule holds particularly true when it comes to buying a used car.

If there is one place more than another where you must place above everything else, the integrity and financial standing of the dealer and his unquestioned honor in living up to every promise made in

selling you the car, it is on a used-car proposition.

A McLaughlin-Buick dealer values good will above everything else. He would never have been selected for a McLaughlin-Buick dealer in the first place if he didn't.

Therefore when you buy a used car from us, you follow the fundamental business rule of knowing what you are buying and from whom you buy—You play safe.
