

WILLOWDALE

The annual field day of the local Recreation Club, held Saturday, was a decided success and well attended by a large number from Toronto and other places. A fine programme of sports was arranged and carried out under the direction of E. S. Cox, chairman, and C. F. Perkin, secretary. Several games of skill were installed, including a guessing contest for a large upholstered chair, and a rushing business.

The first event on the programme was a baseball game between the local team and Richmond Hill, which was won by the local team by a score of 10 to 5. Two ladies' teams, Karrys and Kodaks, from Toronto then provided a thrilling game, Karrys winning seven to four. In the football match Thornhill defeated Concord by a score of 2 to 0.

In the foot races the following were the winners. Three-legged race, Stan, Cassin and Ed. Topping; Lorne Perry and Dave Campbell; married man's race, W. McConkey, H. Duggan and A. T. Jackson; girls under 12,

Martha Thwait's and Fern Egan; boys under 12, Morley Findlay and Noriss Lambke; married ladies, Mrs. R. Rankin and Mrs. J. H. Newton; boys 14 and under, Rupert Jackson and Lorne Perry; girls 14 and under, Martha Thwait's and Flora Currell; wheelbarrow race, E. Toppin and S. Cassin; fat men's race, Sam Holder and F. Smith; single ladies, Rose Grosse and Grace Connacher; boys 16 and under, Thomas Muirhead and Rupert Jackson; boot and shoe race, Ed. Topping and Geo. Corlett; 100 yards, Thomas Muirhead and George Cassin; balloon race, Fern Egan and Ellen Lithgow.

Each winner received valuable prizes. B. Livingstone and Jack McLeod acted as judges and J. Snell as starter. The proceeds, which were large, will go towards the Recreation Club's fund. In the evening supper was served in the skating rink, after which dancing lasted until midnight.

Call at any of the stores in the village for a Souvenir Programme re Field Day proceedings.

KING COUNCIL

The above Council met on the 29th of July, at Armstrong's Hotel, King City.

After reading the minutes the Treasurer was authorized to pay a large number of accounts.

The following resolutions were carried:

Walls—Doan—That this Council give consent to allow the T. Eaton Estate to move its switch line running into Eaton property further north as per plan.

Walls—Egan—That Dr. J. J. Williams, Burser of Woodstock Hospital, be paid the sum of \$19.50 re Maintenance of Martin Brown.

Egan—Edwards—That Mrs. N. Riddell be paid the sum of \$62.00 for sheep killed by dogs.

Edwards—Doan—That Mark Allen be paid \$160.00 for making tile.

Egan—Walls—That J. A. Watson be instructed to purchase one cement mixer.

Edwards—Doan—That this Council order one galvanized culvert from

Duncan Ross. Length 22' Dia 30' gauge 14 to be shipped to Wm. Perry, Schomberg.

Edwards—Doan—That Andrew Watson be paid the sum of \$7.00 for sheep killed by dogs.

On motion the Council adjourned to meet Saturday, August 26th, in the Temperance Hall, Kettleby.

Who Repairs Your Battery—An Expert or Just Anybody?

PREST-O-LITE Storage Batteries are built by experts in a Plant designed and equipped exclusively for the manufacture of Storage Batteries. The building of a Storage Battery is a matter of scientific skill—not of guesswork or chance.

When you buy a motor car, you expect the battery to give you good service. No battery will continue to supply power for starting, ignition for the engine, and bright lights, if neglected. That is why there are Prest-O-Lite Service Stations everywhere to give service to car owners.

THE OLDEST SERVICE TO MOTORISTS

All Prest-O-Lite Batteries are covered by a regular guarantee—a definite obligation plus a spirit that says the Car Owner must be pleased.

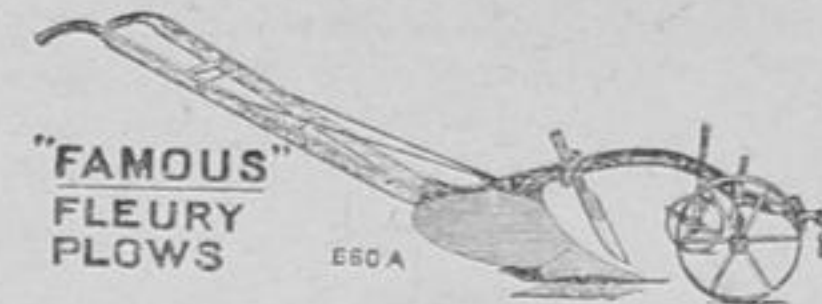

Drive around to the local Prest-O-Lite Service Station regularly. Have your battery inspected free of charge. This attention will keep your battery alive and save repair bills.

Do You Want to Cut Your Chore Time in Half?

In the ordinary work of the farm you must pump more than a ton of water a day.

Why take the time and trouble to do this work when the wind will do it for you free.

A Toronto Windmill will cut your chore time in half. Make money for you. And I can recommend it as an efficient worker. It needs little attention outside an occasional oiling. And it costs nothing to run.

And if you want a real water service, with running water under pressure everywhere, you'll be interested in Toronto Pumps and Toronto Water Systems.

Let me tell you about them.

Protect the Babies

July and August are often dangerous times for babies. The heat exhausts their little bodies; the first hot weather after weaning is a real crisis.

It is extremely important that baby's milk be fresh and pure. It does little good to sterilize bottle and nipple if the milk itself gets stale, and that can easily happen if milk gets warm; in unchilled milk bacteria multiply rapidly.

The cheapest protection you can buy for baby this summer is ice—enough to keep the refrigerator COLD.

Ice is delivered regularly to Richmond Hill by our trucks, at regular suburban rates.
