Union Picnic

Successful in every particular was the Union Picnic of St. Mary's and St. Luke's Catholic churches at the Milne Farm, Langstaff, on Saturday. A Good Slogan

"Keep the business in the town and bring more business to town" should be the slogan of every citizen. The word "Citizen" does not mean only the residents, but it means the business men and women as well. What can be bought in town should not be purchased elsewhere. If you are making your living in the district, you should be spending your money in the district. Money is made for circulation, but if it is not circulated methodically the proper result cannot be obtained.
