I Can Save You 36½ Days a Year

You know from laborious experience that you spend at least an average of one hour a day in pumping water for use about your farm.

Stop losing this valuable time. Save your strength. Install a Toronto Windmill and see how quickly it will pay for itself.

Toronto Windmills are quiet, efficient workers. Cost nothing to run. Require practically no attention outside an occasional oiling.

And when linked up with a Toronto Pump and Toronto Water System, a Toronto Windmill will give you a city water service right on your farm.

U. S. ELECTIONS

Although the final result of the United States elections held on Tuesday is not yet definitely known, the returns so far show that many prominent Republicans have been swept from office, and the Democratic party are in a commanding position in state and national affairs.

The turnover was a surprise, and experts are endeavoring to figure out the cause. A vote in some of the States indicated that the Prohibition law now in force was not popular, but the trade issue was probably a greater reason for the landslide. Some of the best thinkers feel that high tariff has been overdone, and they ask for a saner law along those lines. The election was devoid of great issues, and President Harding had no special policy to enthrone his followers.

NEWS NOTES

The Standard Bank of Canada are offering \$2,000 reward for "information leading to the recovery of the securities" which were stolen from the Standard Bank at Stouffville. The bank makes no mention of any remuneration for the capture of the bandits.

Rev. Dr. Briggs, one of the outstanding figures in Methodism, and for many years steward of the Methodist Book Room, passed away at the residence of his son, A. W. Briggs, K. C., Port Credit, on Sunday, in his 87th year.

The grand jury in the assizes, in their presentment to Mr. Justice Riddell, recommended that the drug addicts receive more severe sentences and that the drug pedlar receive the limit of the law. They also recommended that the jail farm be put under a board of commissioners, as they find that under "dual control" the institution is not operated in its best interests. The jury praised the educational system in vogue at the farm.

Just in Time To Save Lives

THE visitor was ushered into the little living-room. Through a back window one glimpsed three children busy over mud pies.

The last time the visitor had seen the young mother and her husband had been at the Muskoka Free Hospital for Consumptives. Some months previous to that both had developed tuberculosis. Future health—life, indeed—depended on prompt measures. Yet, if the husband stopped earning, how could they live. Their despair had been tragic. In just such cases the "Muskoka Free" fulfils its mission. Husband and wife were sent there and given every care. Grandmother, with financial help from the Samaritan Club, kept the children. To-day, they are home again, cured.

"We went just in time," said the young wife, gratefully, a tender light in her eyes as she glanced at the little mud-pie cooks.
