A Deserved Diploma-- Certificate of Health

Miss M— lived in the Ottawa Valley, not far from the capital, with her mother and young sister. Work seemed the natural thing when she left school, and, accordingly, she started out to get what she could for her services. Progress was not fast, but at least she did not stand still, and her earnings were always increasing.

With such prospects it seemed that her little sister could get the chance that she had been denied—a University education. The baby of the family went to Queen's, and this year, her alma mater gives her the degree of Bachelor of Arts. Next year she's going to do better—Master of Arts. But here's where the sadness comes in. The elder sister, broken in health by overwork, is no longer able to assist. She is a patient at the Muskoka Hospital for Consumptives, but it is hoped that she too will shortly graduate—with "A Certificate of Good Health."

Seventeen thousand patients have been cared for by the National Sanitarium Association in its hospitals in Muskoka and at Weston. Half of them have been restored to health and happy homes. You can share in this great work if you will. Contributions may be sent to Hon. W. A. Charlton, 228 College Street, Toronto.

CARD OF THANKS

As I intimated at the nomination meeting my intention to withdraw from the Council this year, by the consent of my mover and seconder, and as I afterwards decided to again have my name on the ballot, I wish to thank the electors for the splendid vote given me on Monday. To the best of my ability I shall endeavor to serve you as Councillor this year as I have in the past.

Yours truly,
J. A. MONKMAN.

Ice Service Next Summer

Last year we instituted a delivery of ice on Yonge Street as far north as Richmond Hill. This service will be resumed early next summer at our usual suburban rates. Customers may therefore rely upon receiving a regular delivery of ice during the entire summer season, and with greater efficiency and regularity, now that the construction work on Yonge Street has been completed.

When harvesting operations are begun at Wilcox Lake, ice of the best quality will be shipped in car lots to any point, at very moderate rates.
