

# Ice Service Next Summer

Last year we instituted a delivery of ice on Yonge Street as far north as Richmond Hill. This service will be resumed early next summer at our usual suburban rates. Customers may therefore rely upon receiving a regular delivery of ice during the entire summer season, and with greater efficiency and regularity, now that the construction work on Yonge Street has been completed.

When harvesting operations are begun at Wilcox Lake, ice of the best quality will be shipped in car lots to any point, at very moderate rates.
