

VOTE FOR THE BY-LAW

The question of building a new High School has been discussed from all sides. It will have to be settled next Saturday. Is it not safer to vote for the by-law? If we do not build a High School, the greater part of which is paid by the County, Richmond Hill School Section will be forced to build additions to the Public School. At present we are paying rent and caretaking for a room to accommodate High School pupils, and we are also paying rent and caretaking for a room for overflow Public School pupils. A new High School seems to be a safer way out of a difficult situation.

DODGE BROTHERS
MOTOR CAR

5,285 INSPECTIONS PER CAR

The faithfulness of performance so universally remarked in Dodge Brothers Motor Cars, is due in no small part, to the thoroughness with which each unit is inspected during the process of manufacture and assembly.

A trained staff of 1100-experts is employed in this work alone, and approximately 5,285 inspections are made on each car.

So exacting and rigid are the standards applied to these inspections that the slightest variation, either in workmanship or material, is sufficient cause for immediate rejection.

Dodge Brothers are almost over-scrupulous in their constant aim to make each car as sound and perfect as is humanly possible.

What Price Will You Pay For Your Car?

EVERYBODY at Ford is keen to keep down the price of Ford Cars. The \$445-price is based on the expectation of a Spring business of 8000 cars per month. If that business comes, the price can be maintained. It rests now with the public to say whether Ford prices will be higher or not.

If you want a Ford in the Spring you can order it today for delivery later—and pay the lowest price in Ford history, \$445.
