Markham Win the Gold Watches

Play in the Hockey Tournament was halted a few evenings the latter part of last week, on account of the mild weather, but the ice hardened, and the games were resumed Tuesday night when Markham defeated Consumers Gas by 6-1, and Gutta Percha defeated York Radials by 5-3. Markham and Gutta Percha faced each other in the grand final last evening, and gave a splendid exhibition of good hockey. Markham proved the stronger team, and won by a score of about 10-0. Immediately after the game the committee in charge, with the Village Council, presented the winners with 8 gold watches, Reeve Trench making the presentation. The runners-up were also presented with cuff links. Skating followed until 11 o'clock.

IN MEMORIAM

In Memory of my dear husband, Wm. Curtis, who died March 16th, 1918.

A loving husband and father dear,
Many troubles he did see,
When alive he did his best
Now his soul has gone to rest.
He suffered long and murmured not,
Sleep on dear father and take your rest.
For God calls home whom he loves best.
A loving father true and kind,
A beautiful memory left behind,
When a father breathes his last farewell,
The stroke seems more than words can tell.
Then home is quite a different place
Without a smile of a dear fathers face.
— Wife and family.

A Spring Day Up in Muskoka

A Spring day in Muskoka, with sky and water vividly blue; the smell of pine, the song of birds in the air. On a sunny slope a girl gathered trilliums with eager hands. She smiled at the questioning stranger. "I never picked wild flowers before," she said wistfully. "We lived in the city. Father died, and then—mother, of tuberculosis. I was all alone. I wasn't strong,—worked too hard,—and I got it. They brought me here to the Sanitarium on a stretcher."
"But, look at me now!" exultantly. The glow of health was in her cheeks. "It's the rest and care and good food and fresh air that saved me," and her eyes shone joyously.
Surely she was worth saving, this bonny, blue-eyed girl! Surely the Muskoka Hospital for Consumptives deserves her gratitude!

First Display OF THE Newest HATS For Spring

The village, during the last two months, satiated with a drab dreariness, turns with relief to at least one oasis of enthralling interest, to our new and modern show-room, wherein from Saturday next, and during the spring season, will be portrayed the creations of the super-mind amongst milliners, where many phases of originality, deft workmanship, and the imaginings of vanity will find full expression.

Our name is synonymous with value, and quality, and if made to order, whether the hat is medium or high-class, one may have the supreme satisfaction of knowing it is exclusive, combined with an individuality of its own.

Because of its unshrinkable and non-warping qualities, "Gyproc" can be used on the walls and ceilings of the most costly homes. Unlike ordinary wallboard, Gyproc stays put regardless of temperature to which it is subjected, forming a beautiful, perfectly flat surface without a wrinkle or roll.

Gyproc walls and ceilings can be painted, tinted or papered the same as any plastered wall. It is absolutely fireproof and a wonderful insulator against heat or cold.
