Public Library Notes

Patrons of the Library will be pleased to know that through the kindness of the publishers or of some unknown friend "Saturday Night," one of our best Canadian weeklies has been placed on the reading table. "The Dearborn Independent" is another weekly, containing valuable and interesting news and literature.

A. L. PHIPPS, Librarian.

Presentation

A very pleasing incident featured the regular March meeting of the Suburban Yonge Business Men's Association held at Willowdale School last week, when their president, Dr. Carl E. Hill, was presented with roses for his bride and a beautiful silver tea service. The presentation was made on behalf of the S. Y. B. M. A. by Mr. W. T. Gooderham and was the cause of considerable fun and congratulations to the newly married couple, which were responded to by the President.

VICTORIA SQUARE

The clever character sketch "The Young Village Doctor" presented by the members of the league on Friday evening, March 9th, was a distinct success. From the youngest performer, Master Archie Nichols to "The Doctor" every one was at home in his or her part and the audience enjoyed the various situations that arose in the play. A humorous sketch, "The Interview," given by Mr. M. Brown and Jack Frisby was well rendered and well received. Altogether the director, Mr. E. Hitchcock, and his company, are to be congratulated on the success of the entertainment. Proceeds \$44.55.

March Storm

A terrific March storm of snow and wind swept over this section Monday morning when the electric lights were extinguished, and the factories closed for want of power. About 25 poles were broken or blown down between Richmond Hill and Langstaff. The mail from the south did not arrive until evening. A gang of about 100 men arrived from Toronto, and by good work the lights came on about 7 o'clock in the evening. The snow packed so closely the snow plow was stalled in different places, and operated with much difficulty. Outside the trolley line little damage has been reported.

Brillinger—Stephenson

A very pretty wedding took place at Buttonville, March 1, at the home of Mr. and Mrs. Frank Stephenson when their youngest daughter Mariel Reba was united in marriage to Russel G. Brillinger of Unionville, by Rev. Mr. Fralick of Thornhill.

The bride was given away by her father. She was dressed in white silk and georgette crepe trimmed with pearls and bridal wreath and veil and corsage bouquet of rose and lily of the valley. The bride wore a subburst, the gift of the groom.

After the wedding supper the happy couple left to spend their honeymoon in Fergus, and on their return will reside at Victoria Square.

MAPLE

The Foresters of Court Maple City, held a fowl supper, concert and dance at Jones' hotel, last Friday evening.

The Woodbridge and Vaughan Telephone Company have purchased the King Township private line and the two lines will be operated together.

Mr. Wm. Camp has sold his house and lot and barber shop to Mr. Geo. Jarrett and intends leaving here in April.

Mrs. W. H. Malloy, of Aurora, is visiting her sister, Mrs. J. Richards.

Miss Helen McLachlan, of Toronto, visited over Sunday with her friend, Mrs. Geo. W. Bailey.

Mr. Ross Healey, night operator at the Grand Trunk Station, has been transferred to Concord, as there is not enough work for two men here.

At the recent High School Commencement held at Richmond Hill, Rupert Jackson was presented with eight first prizes for athletics now on Field Day, also the Bronze medal for Junior Athletic Champion.

A grand concert is being arranged for Wednesday evening, the 21st of March, to be given by the Fax Fun Company in Maple Community Hall. For particulars see large posters.

Mr. James Patton of King has purchased the 150 acre farm from Mrs. Johnson and sons of Eversley. The sale was made by W. O. McDonald and R. Thomas.

Miss Winnie McDonald has passed her second examination in the Academy of Music in Toronto, very successfully on both occasions.

Farmers' Plans

Many progressive farmers consult their banker when making plans. The Sterling Bank has money to lend to those farmers who need additional funds for the sound extensions of their farming operations.

Village Council

The Committee in charge of the recent Hockey Tournament presented its report last evening to the Village Council. The report showed total receipts of the week's operation to be \$731.80 with a total expenditure of \$369.85 which left the handsome sum of \$361.95 for the Village treasury.

The Council in accepting and adopting the report took occasion to express its appreciation of the splendid work of the Tournament Committee whose untiring efforts and business like methods had carried the affair through with such a gratifying result.

Curling

As it is now nearing the end of the curling season, perhaps it will be of interest to the numerous readers of THE LIBERAL to give them a short review of our games during the past two months. In the first place allow me to say that our "Curling Club" or "Dinty Moore's" as it is familiarly known is one of the most popular and useful institutions in town, because it is open every afternoon and evening excepting Sunday, and as every one knows, social intercourse with his fellow men is just as necessary to the average healthy man, as his daily food, and when a man joins our club, he knows he has a comfortable place where he can go and spend his leisure hours without feeling that he is intruding or interfering with another man's business.

We have played friendly games with North Toronto, Thornhill, Unionville, Newmarket and Oakwood and in each case both away and at home we have been the winners by several shots. Our own club games have been run off very promptly. The President vs. Vice President games, which are always played as soon as there is ice, resulted in a decisive victory for our President, W. D. Scott, and as a result of that game the Vice-President, James McLean, entertained about 40 of our members to an oyster supper and euchre party at his home on Arnold Street, which was greatly enjoyed by all who were there. Then the Slater Cup and Smith Medal Games were keenly contested and finally won by G. Moodie's quartet of experts, the runners up being B. Bennett's rink. Next we had a contest called the doubles, for prizes given by the President and Vice President, which was also keenly contested and greatly enjoyed by all who took part and finally won by Stan. Tyndall and Henry Burnett. Finally we had a match between farmer members and villagers, four rinks a side, and although our farmer friends put up a gallant fight, the village men proved themselves to be the best curlers winning by the narrow margin of two shots.

Although the ice on the west side of the curling rink has been decidedly crooked or tricky owing to the fact that we had a new man on the job who didn't understand his business, still taking it on the whole we have had a splendid season's curling, never having soft or sticky ice for 2 months, which is very unusual and if any of our citizens, old or new comers find the winter months long and tedious, I would certainly recommend them to apply for a membership ticket to our "Curling Club" which I think will be \$5.00 next year.

Thanking you Mr. Editor for so much space in your valuable paper, and wishing you every success, I remain, sincerely yours

Geo. Cowie,
Sec.-Treas. R. H. C. Club.
