

**Sudden Death**

Walter Stephenson a prominent farmer of Vaughan, died suddenly Thursday evening, March 8, just after finishing his chores at the barn. His death was due to heart failure. Deceased was born near Woodbridge and spent his life in the township. He was a member of the Presbyterian church and a Liberal in politics. He is survived by his wife and two sons. Deceased was a brother of Mrs. D. Watson of this village.

**Which Won?**

Interesting curling matches were played Saturday afternoon and evening by the farmers and retired farmers of the club against the village men. The farmers were skipped by R. Agar, S. Tyndall, B. Bennett and J. McLean; and the village players by G. Cowie, G. Moodie, O. P. Wiley and A. G. Savage. According to the scores, the farmer members lost by 2 shots, and put up a supper for their opponents. After supper, however, it was claimed that 3 points should have been deducted from the village side, because the latter had played with only 3 men on a side in one of the rinks. But the error was not detected until the farmers had paid for the supper.

**Defies Rust!**

There's one big point about "Toronto" Stable Equipment which makes me specially proud to sell it. It's the fact that the galvanizing thoroughly covers and completely coats both the inside and the outside of the steel tubing with pure zinc spelter. This "hot" process makes it absolutely rust-defying and proof against strong stable acids for the maximum period.

This is a mighty valuable feature. Let me explain some of the many others. Or get some of the interesting Toronto Literature.
