Sporting Notes

FOREWORD

Every day, and in every way, Our town is growing bigger and bigger, and better and better.

At least that is the opinion of yours truly upon returning after almost ten months of absence. Our main street is rapidly assuming a "Fifth Avenue" appearance. Many improvements are noticeable apart from new buildings and excavations for others. But the new Arena—ah, there is something that made glad the heart of your humble servant. It is a magnificent structure even now, but will be more beautiful and lasting after its completion this summer. The property owners of the village did themselves proud when they made the achievement possible, and there is no doubt in the writer's mind that our young folks of today and tomorrow will call them blessed for their kindness and thoughtfulness in the matter of a new rink. Optimism seems to be the key-note to the heart of Richmond Hill citizens as a whole, and this is as it should be, because without optimism there can be no permanent advancement. Let us keep so far ahead of the pessimist that he will be compelled to grovel in the dust from our movements, not we from his.

WITH THE SPEEDERS

Toronto speed merchants, both ladies and gentlemen, paid Richmond Hill a visit on Thursday evening of last week and held forth at the Arena ice palace. The following well known artists were among the party: Misses Betty Herman, Ruby Johnson, Isabella McCullough, Peggy McIntosh, Mary Rogers, Kathleen Hawlett, Wilma Foster, Ruth White, Bella Hay; Master Jackie Marr, Messrs. Tom Conlin, Tom Ford, Harold Gordon, Bobby Foster, Louis Hurd, Harry Tough, Jack Givens, Percy Johnson, Wm. Taylor, Art Merritt. A number of races were run off, ranging from the 220 yards for women to the men's mile, but the big noise of the evening was the appearance of the 10-year-old juvenile star, Jackie Marr. He is all the daily papers claim he is—a finished performer in the art of speed skating, and probably the peer of any juvenile in Eastern Canada today. He pleased the spectators present, as did some of the young ladies and the father of the party, Tom Conlin, who is 47 years of age and still going strong. W. Smith acted as starter, Al Collins as timer, and W. Richmond and H. Sabie clerks of course. All the visitors spoke in glowing terms of our new Arena.

WITH THE CURLERS

Like all other winter sports, curling is fast drawing to a close. To settle a long drawn-out dispute as to whether the East Side or West Side had the better crowd of curlers four rinks from each side of Yonge Street met at the Curling Rink on Saturday evening last, led by the following Skips: West Side—B. Bennett, G. Cowey, S. Tyndall, A. Savage; East Side—G. Moodie, H. Bond, R. Agar, W. Cappel. The Westerners won out by 12 shots, and will hold the title of Village Champions until the play-off again next winter.

SPORT SHOTS

Indoor Sports will commence to flourish ere long. It is expected that they will be ushered in about the middle of next month by the classiest class of Roler-Boiler Minstrels that have yet appeared before a Richmond Hill audience. Get your tickets early.

No, you're wrong. The hockey season is not over yet. The Senior Cadet team will stage two contests at the local Arena tonight and tomorrow (Friday) night. Newmarket's strong junior team will be here tonight, while Schomberg team and followers are coming down en-mass tomorrow night. Surely the cadets are entitled to your wholehearted support; let them have it to the full on both evenings. You'll get your money's worth of thrills.

To Sleep to-night use **RAZ-MAH** to-day for Asthma.

RAZ-MAH has brought peaceful nights and restful sleep to thousands who formerly suffered the agonies of Asthma.

RAZ-MAH contains no narcotics or other habit-forming drugs. If it does not give relief we guarantee your druggist will return your money, \$1.00 a Box. "Just swallow two capsules."

Save 1/3 to 1/2 Your Corn

You lose from 1/3 to 1/2 the food value of your corn by feeding it to your cattle as dry fodder. Corn stored in a **TORONTO Wooden Silo** will give you 100% of the value. Good ensilage will improve the health of your cattle and will increase the quality and quantity of your milk returns. Good silage must be made in an air-tight silo.

The **TORONTO Silo** is made of selected spruce, double tongued and grooved to exclude the air, and specially treated with creosote to lengthen its life. 15% extra capacity with the **TORONTO Hip Roof.** Let me show you how to save on forage, and increase the health and value of your herd. Information and full particulars gladly given.
