

THE TONIC THAT GIVES STRENGTH

Now is the Time to Invigorate Your System and Throw Off Winter's Ills.

An unusually trying winter is almost over, but the spring will find many whose strength has been sapped and systems undermined by winter colds, influenza, pneumonia or close confinement indoors. Recovery from this condition is often slow, but it can be hastened by the use of a true tonic medicine. Strength and energy can be restored, the stomach toned up, headaches banished and nervousness overcome through a fair use of Dr. Williams' Pink Pills. These pills have a direct action on the blood, enriching and purifying it, thus bringing new strength to every organ and nerve in the body. In this way this medicine has brought new health to thousands of weak and despondent people. Among those who owe their present health to Dr. Williams' Pink Pills is Mrs. Clarence E. Misner, Chipman's Brook, N.S., who says:—"I had a very severe attack of influenza, but after the characteristic symptom of that trouble had passed, I was left in a very weak and depressed condition. I could not keep on my feet for half an hour at a time, and words can scarcely tell how badly I did feel. I had been taking the medicine my doctor gave me, but it was not helping me, and as I had used Dr. Williams' Pink Pills on a former occasion with great benefit I decided to try them again. I got half a dozen boxes, and soon after beginning their use I could feel my strength returning. By the time I had used up my supply of pills, my old-time strength had come back, I could do my housework and keep on my feet all day without feeling used up as formerly. I feel that these pills have been worth their weight in gold to me, and I strongly recommend them to other weak, run down people."

You can get these pills through any dealer in medicine or by mail, post-paid, at 50c a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Your Job Is Your Key.

"I will never get ahead here. There is nobody here that cares a continental whether I get on or not. It doesn't make any difference how hard I work or how I do my work, nobody pays any attention."

Now, I often hear remarks like that. Employees say, "What's the use? I don't propose to wear my life out for nothing. I am just going to do enough to draw my salary. I will look for something better."

My friend, do you realize that that something better waiting for you depends on how well you can do your work where you are right now? Your present job is the key that will open the door to the place above you, and the door is not likely to open until you open it. Success doors don't open themselves. They don't open very easily.—O. S. Marden.

Bovril Limited Reports Good Business in 1922

The report submitted at the 26th Annual General Meeting of Shareholders of Bovril, Limited, in London, England, last month, was most satisfactory.

A net profit was shown of £305,709—out of which after payment of regular dividends on preferred stocks a dividend of 9% on the Deferred Shares—free of Income Tax—was voted.

Sir George Lawson Johnston is Chairman, The Earl of Erroll, Vice-Chairman, and Mr. Douglas Walker, Managing Director. Sir Cornthwaite Rason, a former premier of Western Australia, has recently accepted the position of Secretary.

Bovril exports in 1922 exceeded those of 1921 by 22%, and 1923 shows every indication of still further growth. The increasing amount devoted to various forms of advertising was one of the noteworthy features of the statement—and one to which perhaps much of the increased success of operations was due.

Queen of Sheba.

A woman of the new rich type paid a visit to a well-known school with a view to placing her boy there. She arrived in a Rolls-Royce elaborately dressed and loaded with jewelry. During her interview with the headmaster, whom she embarrassed and impressed with her grandeur, the poor man remarked, "Madam, you remind me of the Queen of Sheba."

"Really," said the lady. "I had no idea she had a boy in this school."

April Promise.

April, you've a comely name,
What may be its root?
Latin smooth as cherry bark
Must have borne some fruit.

Who'd have thought "aperio"
Gave the sweet degree?
Open windows, open brooks,
Are its prophecy.

Open eyes to loveliness
Of the bridal spring,
In a midst of emerald
Shyly burgeoning.

Open souls to greet the gifts
Of a heavenly hand,
Pouring glories without stint
O'er a radiant land.

Open bird throats, rearing buds,
Add their jocund share;
With such lures the open sloughs
We can surely dare;

Unafraid of sucking bogs
In the woodland lanes,
Tramp we home with mired feet,
Proud of our campaigns.

"April, April," how it lilts
With the bubbling stream!
"April, April," thrushes call
Through the shower and gleam.

Winter, then, our open hearts
Shall no more annoy;
They shall greet the April dawn
With an answering joy.

HAPPY MOTHER PRAISES TANLAC

Mrs. Cooper Declares It Restored Health of Delicate Daughter—Gained 11 Pounds.

"Six months ago Tanlac brought robust health to my daughter Stella, who is seventeen, and I wish I could tell every mother what a wonderful treatment it is," declared Mrs. Lillian Cooper, 24 Sauter St., Toronto, Ont.

"Two years ago Stella began losing ground. Her cheeks faded, she was dreadfully run-down, and so thin she was just a frame. Her nerves were so excited I feared I would have to take her out of school, for while doing her lessons she could hardly keep still and at times couldn't write at all. Her appetite was so poor she scarcely ate enough to sustain life, and her sleep was so restless she was always tired and worn out.

"I bless the day I bought the first bottle of Tanlac. My daughter has gained eleven pounds, eats heartily, sleeps soundly, and her studies are like play. The Tanlac treatment is grand, and I believe it should be in every home."

Tanlac is for sale by all good druggists. Over 35 million bottles sold.

TO EXPECTANT MOTHERS

A Letter from Mrs. Smith Tells How Lydia E. Pinkham's Vegetable Compound Helped Her

Trenton, Ont.—"I am writing to you in regard to Lydia E. Pinkham's Vegetable Compound. I would not be without it. I have taken it before each of my children was born and afterwards, and find it a great help. Before my first baby was born I had shortness of breath and ringing in my ears. I felt as if I would never pull through. One day a friend of my husband told him what the Vegetable Compound had done for his wife and advised him to take a bottle home for me. After the fourth bottle I was a different woman. I have four children now, and I always find the Vegetable Compound a great help as it seems to make confinement easier. I recommend it to my friends."—Mrs. FRED H. SMITH, John St., Trenton, Ont.

Lydia E. Pinkham's Vegetable Compound is an excellent medicine for expectant mothers, and should be taken during the entire period. It has a general effect to strengthen and tone up the entire system, so that it may work in every respect effectually as nature intended. Thousands of women testify to this fact.
