SENIORS ORGANIZE

Between thirty and forty baseball enthusiasts met in the Council Chamber on Thursday evening of last week for the purpose of organizing for the coming season, Mr. J. A. Greene occupying the chair. Before commencing organization business the chairman gave a short and helpful address upon organization and other matters pertaining to the success of a team.

The following excellent staff of officers were elected:

Honorary Presidents—Messrs. Harry Legge, W. D. Scott, J. A. Greene, R. J. McLaughlin, and Donald Inrig.
President—Mr. James Wigmore.
Vice-President—Mr. Harold Murphy.
Secretary—Principal Watson.
Treasurer—Mr. Darty Morden.
Manager—Mr. Bert Cook.
Assistant Manager—Mr. West Middleton.

The selection of a coach was left to the officers.
The selection of a captain is left to the team itself.

Delegates to York-Simcoe League meeting—Messrs. Watson and Sharpless.

Upon motion, it was decided to have all suits and baseball material handed in to Mr. Cook at his residence.

Let's all pull together, forget petty jealousies, and get behind officers and team for the most successful season yet. Let's play local men whenever and wherever possible. We may not always win, but we will be developing along right lines.

CADETS ORGANIZE

At a well-attended and enthusiastic meeting held in the Sterling Bank Office, on Tuesday evening last, the York Rangers Cadet Corps organized for the 1923 baseball season, the following officers being elected:

Honorary Presidents—Col. Clarke, D.S.O.; His Worship Reeve Trench, and Lieut. A. J. McLatchy, York Rangers Regiment.

President—Mr. Robert Johnston.
First Vice-President—Cadet Lieut. Bernard White.

Second Vice-President—Cadet Sergt. Jack Glass.
Secretary—Cadet Sergeant Bryan Sharpless.

Manager Senior Cadet Team—Cadet Sergt. Frank Grainger.

Manager Juvenile Cadet Team—Cadet Sergt. Lambert Atkinson.

Coach for both teams—Mr. Lou Teetzel.

The Senior Cadet Team will be entered in the York County Baseball League, and both teams will be completely regimentally equipped.

Cadets not signing up for the season must hand in their uniforms at once.

It is now up to every elected officer and every Cadet to put forth every effort to make the Cadet baseball season of 1923 the best ever, and it can be done by united effort.

Yours truly would like to say, in closing, that a great deal of credit is due to the officer commanding (Lieut. Harty Morden) for the unselfish expenditure of both time and money in an honest endeavor to keep the Cadets in the forefront of hockey and baseball circles. He has seen to it that they appeared on both ice and field properly uniformed for the occasion and at no expenditure whatever to any Cadet participating. Let every Cadet "carry on" with him again throughout this year.

Save 1/3 to 1/2 Your Corn

You lose from 1/3 to 1/2 the food value of your corn by feeding it to your cattle as dry fodder.

Corn stored in a TORONTO Wooden Stave Silo will give you 100% of the value. Good ensilage will improve the health of your cattle and will increase the quality and quantity of your milk returns. Good silage must be made in an air-tight silo.

The TORONTO Silo is made of selected spruce, double tongued and grooved to exclude the air, and specially treated with creosote to lengthen its life. 15% extra capacity with the TORONTO Hip Roof.

Let me show you how to save on forage, and increase the health and value of your herd. Information and full particulars gladly given.
