PUBLIC NOTICE

A good shipment of the very best Anthracite for summer orders.

Many people of this village do not know that 95 per cent. of our coal is screened before leaving our yard. This is not done in any yard this side of Toronto.

Is it not worth at least 50¢ per ton that you are not buying a large percentage of dust which is bound to be in every car of coal.]

His Excellency The Governor-General Visits School

In order to get a better idea of farm conditions and farm stock in this part of Ontario, Baron Byng, Governor-General of Canada, who has been the guest of Col. Harry Cockshutt, Ontario's Lieut.-Governor, made a number of motor trips last week, and mingled with representative farmers and business men.
Last Friday the party consisting of the above named personages, with Col. Fraser, Aide to the Lieut.-Governor, and Mr. Rogers, representative of Ontario Department of Agriculture, Newmarket, visited this section and made a friendly visit to our Public School. In the forenoon they motored through Scarboro' and Markham, stopped at the farm of W. G. Renaie on the Kennedy Road, and afterwards inspected the fine stock of E. T. Stephens on Yonge Street.
Arriving at the Public School about 12 o'clock, they were greeted by nearly 300 children, teachers, members of the Board of Education, reeve and councillors and other citizens. Short addresses were given by their Excellencies, the hero of Vimy giving the pupils a half holiday, for which he was loudly cheered. Before leaving, Reeve Trench thanked Baron Byng, and his distinguished associates for the honor conferred upon our schools and village, and presented them with Honorary Tickets of Membership in our Old Boys and Girls Association.
Cheers were again given and the party were soon on their way to Aurora, where the "Roycroft Farm," the property of Mr. Shaw, was visited.

High School Examinations

The timetable for the High School Departmental Examinations has recently been announced.
The Lower School begins June 12th and terminates June 15th. The Middle School is from June 18 to 27th, the Upper School June 14th to 27th.
The High School Entrance begins June 27th. Their timetable is as follows: June 27th.—Grammar, Writing, Geography; June 28.—Arithmetic, Literature; June 29th.—Composition, Spelling and History.
The number of candidates for the Lower School examination will be greatly lessened this year due to a recent regulation which gives Principals the right to grant certificates on all those subjects in which a pupil has done satisfactory work throughout the year.
