Cor. Arnold & Yonge.

After years of discussion for and against the General Assembly of the Presbyterian church has decided in favor of union with the Methodist and Congregational churches, by over 2 to 1, the vote standing 426 for and 129 against. The minority favored further consideration, but it was considered unfair to keep the matter denominations in an unsettled state year after year.

Markham Economist—At the present moment it appears probable that there will be four names on the East York ballot:—Hon. Geo. S. Henry, Conservative; H. S. Clarry, Liberal; A. W. Ruebeck, U. F. O., and John Galbraith, wine and beer. There is one thing about Galbraith, he runs every election and always has a new platform. Last election he advocated licensing the man and limiting him to so many drinks a day.

The Toronto District W.-C. T. U. do more than meet and select their officers. At a recent meeting they expressed their appreciation of the Drury Government, and pledged support of temperance candidates in the following resolution:

"Resolved, that we heartily commend the present Government, especially the Premier and Attorney-General, for their support in enforcing the Ontario Temperance Act under the severe opposition and difficulties that have existed, and, further, in the coming election we prayerfully vote and use our influence to the utmost for the candidates whose previous record and present pronouncements coincide with our principles, irrespective of party politics."

Quantz—Brodie

A wedding was solemnized on June 6 at the home of Mrs. Chas. Brodie, Headford, when her daughter, Harriet May, was united in marriage to George Harvey Quantz, son of Mrs. Alter Quantz, Langstaff, by the Rev. H. Warren assisted by Rev. J. Lavelle Smith, under an arch of lilacs and honeysuckles.

The bride, who was given away by her uncle, Mr. Alfred Dean, Toronto, wore a beautiful gown of white Canton crepe trimmed with chantilly lace and sequins. Her veil of Brussels net was caught in cape effect with lilies of the valley, she carried a bouquet of pink opelia roses and lilies-of-the-valley, and wore the bridegroom's gift, a rope of pearls.

The bridesmaid, Miss Maude Quantz, sister of the bridegroom, wore pale pink crepe de chene with hat to match and carried Columbia roses, and Mr. Norman Brodie, brother of the bride, was best man. Miss Mary Henricks played the wedding march, and during the signing of the register Miss Jean Helmikay sang, "Oh Joy be Thine."

The groom's gift to the bridesmaid was a pearl and sapphire ring, to the groom a pearl tie pin, and to the pianist and soloist bar pins set with pearls.

After the ceremony buffet luncheon was served. The table decoration was sweet peas, baby's breath and lilies-of-the-valley. The bride traveled in a suit of blue tricotine with grey hat and shoes to match.

On their return Mr. and Mrs. Quantz will reside in Aurora.

THORNHILL

June 9th, 1923.

In a Hills-Square Baseball League game Thornhill, playing Victoria Square, pulled the game from the fire in the last inning, winning by a 14-13 score. At the beginning of Thornhill's last inning Victoria Square was leading by 10 runs. Lehman, pitching for the Square, held the boys merciless, and, with a nine-run lead, was unwisely taken out for Brown, who immediately found himself in difficulty. Perry, for the locals, first man up, hit for a two-bagger, and then his teammates commenced a bombardment with the willow for a total of 10 runs and the game. The teams and officials follow in batting order:

Victoria Square—L. Lehman s.s., B. Lehman p. and 3b., Brown 3b and p., Canning c.f., H. Nichols 1b., McCague 2b., Lyons r.f., C. Nichols l.f., Gamon catcher.

Thornhill—Farr 1b., Perry 2b., R. Wesley r.f., B. McDonald s.s., Hooper Hopper c.f., C. Wesley l.f., Clapham p., C. McDonald 3b.
Umpires—Pug Harding and Rice.

New Observation Cars

May 15 marked another advance move on the part of the Canadian National Railways, when an entirely new type of Mountain Observation Car, aptly described as a Sun-Room on Wheels, was put into service on the Mountain Division between Jasper and Kamloops. These cars will continue to be attached to daily trains Nos. 1 and 2 until September 30th.

They are the most up-to-date and satisfactory type of mountain viewing car anywhere in use on the continent. Their excellent appointments enable travellers passing through the Northern Canadian Rockies to view the magnificent scenery on both sides of the car with the utmost ease and comfort, irrespective of weather conditions.

These cars have been called "Sun-Rooms on Wheels" owing to the large amount of glass used in their construction, the windows running from the seat arm rests to the ceiling.

The seats are arranged transversely

on each side of a centre aisle as in an ordinary car, there being seating capacity for 61 passengers. The platforms provide capacity for 36 additional persons. The entire car siding is of steel with interior finished in British Columbia cedar, stained mahogany. The interior is equipped with the most up-to-date ventilators, electric lights and shades.

Speed-up Construction

When you plan the building of your home specify Gyproc instead of ordinary wallboard. Gyproc is a fireproof, non-shrinkable, non-warpable wallboard, that can be applied by the same carpenters that construct your house. It will prevent delay in floor construction and in wall decoration.

Walls can be papered the same day Gyproc is applied. Gyproc can be ordered along with the rest of your building materials in ceiling-high lengths.

Save time, trouble and money by specifying Gyproc Wallboard on your next building or repair job.

A booklet and free sample of Gyproc Fireproof Wallboard will be mailed you upon request.
