### This Is For You

And thus we find, as days roll slowly by,  
That life is just a memory wherein  
to live  
Days we would give years to bring  
again,  
Had we the power to take and give.  
—RODMAN.

These lines represent the thoughts and desires of hundreds of people. Some are enthusiastic enough to get out to work for the realization of their dreams; some are content to go on dreaming and let the other man do the work.

Come in, and give us a hand to put our old Boys and Girls Reunion over on August 8th, 8th, 7th, and you will be surprised how much power you have to take and give of the Spirit of Childhood. Public meeting in Council Chambers next Tuesday night.

## Sporting Notes

Richmond Hill senior baseballers played a York-Simcoe league game at Willowdale last night, the score resulting in a 6-3 score in favor of Richmond Hill. Kenny Blanchard pitched.

And the Young Ladies—They are being put through strenuous baseball practice two evenings each week—Tuesday and Thursday—and they are enjoying it too. Tuesday is devoted to fielding practice, and Thursday to batting practice and the hit-and-run game. Every young lady in town who is desirous of keeping fit physically should show up at the public school diamond on practice night. Games will be arranged for in the near future and a few tournaments will be attended.

For the second time this season the local seniors administered defeat to the Aurora representatives of the York-Simcoe League. The game was played at the town park on Saturday afternoon last. Kenny Blanchard was back in the game once more, and served up the tantalizing ball to the Aurora batters in his old-time manner. And with the widow—well, he laid it against that ball when runs were needed, at one time driving in two runs ahead of him with a three-base hit. The final score was 12-11 in favor of Richmond Hill.

Mr. Hard Luck put in an appearance at the ball park on Friday evening last. The senior ball-players were at regular practice, and in a mix-up at second-base Charlie Browning, pitcher, had the misfortune to have a collar-bone broken, and no working-man can afford such a lay-off as that. The Workmen's Compensation Act does not cover such cases. Charlie is an honest-to-goodness pitcher and always gives of his best. A benefit game is now in order, and it is up to officers and officials to promote same between some outside team and the locals. Let it be attended to at once. Yours truly will donate the printed tickets for same, all of which could be sold in town and country-side before the game, and at 25c. per.

### York Ranger Cadets

The Cadets desire to express their appreciation to all the citizens who so loyally supported the Review, as also to the Committee of Ladies who worked so untiringly at the Canteen. This timely departure resulted in \$45 being made, which the O. C., has divided equally, \$22.50 to the Band Fund, and \$22.50 to the Cadet Sport Fund.

A very dire need at the present time for the Cadets is a swimming pool, and, to this end, a Grand Garden Fete, is being arranged for Saturday afternoon next, the 30th inst., on the grounds of Mr. Harry B. Stirling. Most respectfully is the loyal patronage of the citizens solicited to this Fete, and the committee of the Cadet Mothers now detailed is working most enthusiastically. Everything possible is being done to make the Festival an event long afterward to be remembered with fond recollections, and the committee has set a high objective financially to attain. May the support therefore, for the worthy object that it is being held, be unanimous, as also generous to a degree. What the Cadets have done in the past they have tried to do well, and on this occasion, they hope to even do better.

The Richmond Hill York Ranger Reserve Brass Band will be in attendance. An orchestra is also being provided for the dancing on the spacious verandah. Madame Yerr's the much travelled and distinguished lady from the far Eastern Court, will delight all those who will intently besiege her throne, for the hearing of what the hand line revealeth in this peculiar, but ever-interesting character study of ours. Charming uniformed sisters will also be in attendance at the different booths, smilingly inviting you to enjoy the happiness that the occasion affords you to receive. With such elaborate preparation therefore, there is every reason to feel confident that the Cadet mothers will be most loyally and generously supported for the worthy object that it is being held—our boys and a swimming pool.

To get 31 perfectly healthy ducklings from 13 eggs was the unique experience of Mrs. Dan Otto, 14th line of East Zorra, near Stratford, Ont., a day or two ago. She set the 33 eggs under several hens, and when the eggs hatched out there were 34 ducklings. One egg was apparently of the double-yolked variety, and both yolks hatched.
