The officials of the Electric Railway have issued a new Time Table, but the ordinary man had better carry it in his pocket, as without it, it would almost be impossible to remember the starting time at the various stations.

Have you got your membership ticket yet in the Old Boys and Girls Association? It is a means of giving you a chance to have some little part in making the Reunion a success, and you surely wish to have a part.

The massed choir, comprising the four church choirs of the village, are holding practices every Thursday evening in the Masonic Hall, all of which augers well for the success of the big union service in the park on Sunday, August 5th.

A pleasant event took place at the home of Mr. Geo. Forrester on Friday last, when a number of friends of his daughter Marjorie, motored out from Toronto and vicinity and presented her with a lovely miscellaneous shower in honor of her approaching marriage.

Mrs. Jonathan Brillinger and Mrs. Sam Allen leave for Rosseau, Muskoka, to-day, where Mrs. Brillinger will spend a fortnight with her daughter, and the latter will spend the rest of the summer with her husband, where Mr. Allen is golf pro. at the Monteith House.

A petition is being circulated asking the Village Council to co-operate with the County and the Railway with a view of removing the track to the centre of Yonge street. Everybody would like to see the Railway in the centre, but when the cost to Richmond Hill is given, \$42,000, it is little wonder that some of our citizens declined to sign the petition.

A large number of our citizens motored to Markham, Monday afternoon and enjoyed the programme put on for the last day—the 50th anniversary of the place as a village. The citizens of our neighboring village are to be congratulated on the arrangements of the day, particularly the decorations along the main street, which were most creditable.

The spacious lawn of Mr. H. B. Stirling presented a pleasing and attractive appearance on Saturday evening last, the evening of the Cadets big Garden Fete. Refreshments of all kinds were served, an outdoor concert was given by capable artists, the band played, a pianist was kept busy telling the past and future of many, and a delightful evening was brought to a close by dancing on the large veranda and in the dining room and parlor. The sum of seventy-odd dollars was cleared above expenses, all of which will go towards the erection of a much-needed swimming-pool for the cadets. The O. C. is to be congratulated for his thoughtfulness in the matter.

The Old Boys and Girls Association would ask that all auto owners in the village and vicinity have the blue pennant attached to the windshield of their cars, and thus help in advertising the Old Boys and Girls Reunion on August 5th, 6th, and 7th. It would also be appreciated if the Old Boys residing in Toronto and other places would apply for the pennants. They may be had upon application to the secretary, Mr. Lou Teetzel, Richmond Hill. Let us all do a little bit towards the success of the affair. If you haven't got one now, let us know as soon as possible.

DEATHS

METCALFE—On Tuesday, July 3, at Weston, Thos. B. Metcalfe, formerly of Richmond Hill in his 78th year. Funeral Thursday from his daughter's residence, Weston, to Maple Cemetery.

Daring Burglary

A party of midnight prowlers entered the premises of Mr. E. R. Fortner, clothier and tailor, Tuesday night, and carried away with them practically all the cloth in the shop, as well as six or seven ready-made suits, to the value of about \$600. They entered by the back door leading to the kitchen, by boring a small hole through the side of the screen door, which they were then able to open, and cut out a panel of glass, in order to unlock the door. The large pane of glass was laid carefully aside, and the clothes line was cut presumably to tie up the booty. Needless to say Mr. and Mrs. Fortner's many friends sympathize with them in this heavy loss. The case has been placed in the hands of Mr. Geo. Thompson, County Constable.

Old Boys Association Meeting

That the 50th Centenary Celebration of the Incorporation of the Village of Richmond Hill and the Reunion of Old Boys and Girls, to be held on August 5th, 6th, and 7th, will be a great success is now an assured fact (weather permitting). The Sports Committee have finished their work, and finished it well. The people attending the Celebration will be treated to one of the finest and best sports programmes ever put on in this part of our country. The baseball tournament will bring together the four best amateur baseball clubs in the City of Toronto—Hi Crests, Osers, St. Andrew's, and Athenaeums, the prize being 15 medals. That the three games will be stubbornly contested goes without saying. The lacrosse match will bring together the Maitlands and Davenport's of Toronto, two of the best. The football tournament will bring six teams—four league teams from the west, Maple, Edgeley, Woodbridge, and Elder's Mills; Thornhill from the south, and Wexford from the east. Two prizes will be given, first to the winner of the final game, and second to the loser. Three ladies soft ball teams (two from outside and the locals) will compete for a prize of \$20.00. Besides the above excellent programme there will be the customary foot-races, jumps, etc., and pitching horseshoes matches for the Old Boys who were adepts at the game in their younger days. All other committees are making rapid progress also, and ere the 5th arrives everything will be in tip-top shape for the receiving and entertaining of our visiting Old Boys and Girls. All heads of committees and committee members are urgently asked to attend next Tuesday evening's meeting in the Council Chamber. The hour is 8 o'clock standard time. Don't be late, please.
