STOP CHARIVARIS

A despatch from Kingston says that a charge of unlawful assembly has been laid against a charivari party.

"Eighteen residents of the village of Sydenham were before County Police Magistrate Bradshaw on Friday charged with engaging in an unlawful assembly on October 6, when they took part in a charivari at the home of Percy Trousdale."

Do some of the residents of Richmond Hill know that they render themselves liable by taking part in charivaris, or have they the assurance that the Council winks at such proceedings. Charivaris are a blot on the good name of Richmond Hill, and they should be stopped.

VICTORIA SQUARE

Anniversary Services will be held in V. S. Methodist Church, Sunday, Oct. 21st at 2.30 and at 7.30. Rev. E. Harold Toye B.A., will be the speaker for both services. The choir will furnish special music for afternoon service and the "Baker Quartette," of Bloomington, will direct the musical programme of the evening. Everybody welcome.

Off to Hunting Ground

With the hunting season just at hand, and reports of plentiful game, the Canadian National Railways has made special arrangements to accommodate the number of parties going north. A special train will convey the hunters northward, stopping at all camps between here and Key Junction on October 31, getting them to their favorite grounds before the season opens. The more remote camps above North Bay will be reached by a special train on October 31 and on November 2. A party of eight from Toronto is booked for the French River Hunting and Fishing Club on October 24. Another party from the city will make camp on November 1, and among the perennial sportsmen of outside centres in Ontario many parties have been made up.

County Constables on Trial

At the resumed inquiry held Friday afternoon before the County Police Commission into the shooting at three girls in a motor car by county constables on Sept. 1st last, it was admitted by Constable Kirk that the police officers involved had received no instructions as to the use of firearms. Thelma English, aged 20; Elsie Huntley, aged 14, and "Sissy" English, aged 10, the girls in the car, had, according to the constables, been mistaken for rum runners. When they failed to stop the car on command shots were fired after them. Miss Thelma English told how one of the bullets had just barely missed hitting her in the neck, but Constable Kirk said: "I swear positively that no bullet struck the car; they all went into the ground." The inquiry was adjourned for two weeks to hear the evidence of the other constables involved.

Killed by Motor Car

Reginald McDonald Lockhart, aged 21 years, of Albion Road, Etobicoke Township, sustained fatal injuries on Saturday night, when the motor car he was driving was upset on the Weston Road about a mile south of Thistleton. Lockhart who was alone in the car, was returning to his home when a tire was punctured causing the car to swerve and the driver, in seeking to prevent the car's going into the ditch, caused it to turn turtle. He died a few minutes after the arrival of doctor. Mr. Lockhart, who was employed by the Weston Golf Club, was a popular young athlete. He had gone to Swansona to take part in a football game on Saturday afternoon and spent the evening with friends. He was the second son of Mr. Douglas McDonald Lockhart, who is employed by the McGregor, McIntyre Company, Toronto. Besides his parents, he is survived by two brothers and three sisters. Deceased was a grandson of Mr. James Wiley, and a grand nephew of Mrs. F. Grainger of this village.

MAPLE

The monthly meeting of the Women's Institute was held last Wednesday at the home of Mrs. H. E. Keffer. There was a good attendance and an interesting programme was given. Dr. Urquhart gave an address on "Colds," their prevention and cure, and solos were sung by Mrs. G. Bailey and Mrs. C. Brown. After the programme afternoon tea was served.

Mr. and Mrs. Chas. Brown, of McKeesport, Pa., spent several days with friends in the village. Mrs. Brown assisted the choir of St. Stephen's and the Methodist church on Sunday by singing a solo at each of the services.

A concert was held in the Community Hall last Friday night, the programme being given by J. Kelley, ventriloquist. A dance was held after the concert.

The Masonic Hall which is being enlarged is nearing completion and will be very commodious and comfortable.

Mr. Leslie Laver is now occupying his new garage and is prepared to supply all the motorists' wants.

High School Field Day

Richmond Hill High School held its annual Field Day on Friday, Oct. 5. It was even more successful than in previous years. Perfect weather during the greater part of the afternoon and a large number of entries in all the events made it a most enjoyable afternoon for the parents ex-pupils and friends who assembled.

A programme of junior and senior athletics for both boys and girls was first run off. Races of the usual distances, broad and high jumps, pole vault and shot-put were the standard events, followed by potato race, threading needle and other novelties. The contest was very keen and the results in some cases remarkable, especially for the senior boys shorter races. Following is a summary of the results:

Boys, Senior champion—Andrew Snider; Runner up Clarence Vanderburgh (Ex. Champion.)

Junior Champion, (under 16)—Allen White; Runner up—Jack Bayes. Youngest boy to win a point—Jacob Koning.

Girls—Senior champion; Isobel Cowie; Runner up Violet Shepherd. Junior champion (under 16)—Margaret Vanderburgh; Runner up—Olive Hurst.

Youngest girl to win a point—O. Hurst.

Ex. Pupils Hundred yard dash—1st. B. White, 2nd B. Sharpless.

The form championship shield remains with Form 4, with a total of 113 points or 8.9 per pupil. A suitable trophy will be presented to Form 2, the winners of the Inter-Form relay race.

The High School Athletic Association and the teachers and pupils take this opportunity of thanking the merchants and other citizens who generously donated money and goods to a total value of \$30 for prizes. We owe much of the success of the day, also to the s who assisted with loans of material for the booth, motors for conveying apparatus to the fair grounds and other aid.

We hope to surpass this success next year and ask for the support of ex-pupils, parents and friends.

URSUL MCCLUSKEY } Secretaries.
CRAIG McDONALD }

York County Wins Second Prize

During the past summer the 20 boys from 12 to 18 who constitute the York County Boys and Girls Pig Club, have been feeding from 2 to 6 hogs each, under the direction of the local branch of the Department of Agriculture at Newmarket. The boys, most of whom live in the Stouffville and Gormley districts, agreed to load a car lot of hogs for the Inter-county Car Lot Competition at the Union Stock Yards at Toronto on October 11th.

On Wednesday the boys brought their pigs to Stouffville and made up a car lot of hogs. Owing to the lack of funds there was no competition held at Stouffville this year before loading.

On Thursday a number of the boys and their friends went to the city to see their hogs graded and see the car lots from the 13 competing counties, judged. History repeated itself that day and the York Club scored second prize again this year, being beaten by the South Simcoe Club. In the Judging Competition in which each club entered a team of three men, the York Club Team consisting of Frank Lundy of Newmarket, Cecil Nichols and George McCague of Gormley, won third money with Leeds and Bruce 1st and 2nd respectively.

The results of grading were: Selects 18, thick smooth (including unfinished hogs of the select type) 27; Shop hogs 11; lights 5. The lot was uniform in both breed and type but were a little lacking in finish on the whole.

After being shown through the stock yards, the boys and their friends were entertained to luncheon by the Meat Packers Association and afterwards shown through the packing plants. At 2.30 the car lots of hogs were sold by auction to the highest bidder by R. W. Wade, Director of the Live Stock Branch, and while bidding was not as keen as last year, very good prices were realized. Although the day's market price was \$8.25 the 1st prize lot went to \$11.00 and the York load sold for \$9.75.

Besides the extra sale price, the boys also got \$110 for the car lot, and \$25 for the Judging Competition from the Dominion Department of Agriculture and might well be pleased with their recent successes.

Auction Sale Register

FRIDAY, OCTOBER 19—Auction sale of farm stock, implements etc., the property of Mrs. C. Robson & Son, lot 5, con. 2, Whitechurch, Lake Wilcox Farm. Sale at 12 o'clock. F. W. Silversides and A. Farmer, Auctioneers.

Let This Engine Pump Your Water

By simply attaching a Toronto Pumping Engine to your pump you can have running water for every purpose you desire. Think of the time and labor saved—the freedom from tiresome pumping.

Toronto Engines with direct connected jack are easily, but securely attached to the pump. Specially designed for pumping service. Smooth-running and almost noiseless. Easily adjusted to any height of pump. Operate economically on gasoline. An independent pulley on the crank-shaft makes power available for operating the churn, separator, washing machine, etc.

J. Lunau, Agent, Richmond Hill

A Toronto Water System, with this direct connected Engine and Pump Jack will give you the advantages of city water service. See me about it or ask me for booklets.
