Sporting Notes

CARNIVAL?—YES!!

Yours truly can pass you out the following facts in this issue: The Grand Opening of the local Arena will take the form of a masquerade carnival and skating party; the affair will be under the auspices of the Young Ladies Base-Ball Club, and they surely will put it on in a right manner, and they also surely deserve the support of all citizens. Splendid prizes will be awarded for ladies and gentleman's fancy costumes; also for comic costumes. Now get ready, you Kings and Queens, Cleopatras, Red Riding Hoods, Mutts and Jeffs, Barney Googles, etc. There will also be prizes for the children—fancy and comic costumes. And probably a few races for the girls and boys. Keep your eye peeled for the bills announcing the big affair. We will have something further to announce in our next issue.

HOCKEY NOTES

The first scheduled game in this district is Friday, Dec. 28th. The locals play at Newmarket.

North Toronto Intermediate and Junior teams will use the local Arena for all their games this winter. Who said our rink wouldn't get the call?

Explanation

Richmond Hill, Dec. 17, 1928.
To the Editor of The "Liberal."

Dear Sir:
In your report of the ratepayer's meeting held in November, I made a motion, seconded by Mr. John Sanderson, recommending the Village Council of 1928, to have the village books audited by a chartered accountant. By the Village books I meant the books of the Board of Education as well as the Village Treasurer's.

As some people might think that I was singling out the Village treasurer's books for some special reason, I wish to state most emphatically that it never entered my mind, that I had not the slightest intention of reflecting on the integrity of Mr. Hume, a gentleman who is universally esteemed for his sterling qualities, both of head and heart, and I am sure every one will agree with me when I say that the Village of Richmond Hill is fortunate indeed in having a man like Mr. Hume in charge of this affair. Hoping Mr. Editor, you will give this the same prominence in your esteemed paper as the other article got.

I remain yours sincerely,
GEORGE COWIE.

Ratepayers Meeting

The Council Chamber was well filled on the evening of the 12th inst. when the monthly Ratepayers meeting was held.

The accommodation for school pupils was discussed, and a resolution was passed requesting the Board of Education to look into the matter at the Masonic Hall.

A communication was read asking what inducements are held out for the starting of an industry in the Village. The matter was left in the hands of Mr. Arnold.

Mr. McLean, President of the Board of Trade, reported that arrangements are being made for holding a monthly meeting in January, February, March and April, in connection with the four local churches. A good speaker to be secured for each meeting, to be followed by a banquet.

The suggestion was made of asking the Village Council to appoint a commission whose duty it would be to look after the Park and Skating Rink. The idea was favored, but no resolution was carried, as it was thought better to leave the matter in the hands of the Council for 1929.

It was recommended that the money made at the Old Boys and Girls Field Day be left in the hands of the trustees, and that they look after the up-keep of the Soldiers Memorial.

A resolution, moved by Mr. Cowie, and seconded by Mr. Hume, was passed recommending that the Accounts of the Board of Education and the Village Council be audited by a Chartered Accountant.

The public is hereby notified that the Richmond Hill Building By-law is now in force and that in future no building operations, or repairs to buildings may be carried on without a permit being obtained from the Village Clerk endorsed by the Building Inspector.
