## DEATH COMES PEACEFULLY TO U.S. WAR PRESIDENT, WOODROW WILSON

Washington, Feb. 3.-Woodrow Wilson, twenty-eighth President of the United States, from 1913 to 1921, died to-day.

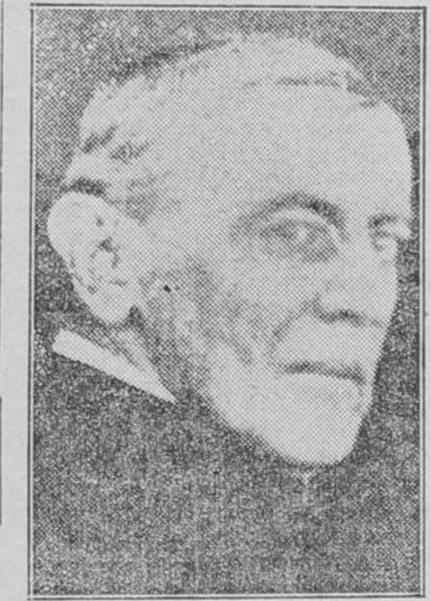

With the whole world watching at his bedside as for the last three days, the disting ished American, recognized as one of the great men of his country and his time, came peacefully to his end at 11.15 o'clock this morning.

Mr. Wilson's life ebbed away in the sleep into which he sank yesterday. The last sentence he uttered was on Friday, when he said, addressing his physician, "I am a brokenpiece of machinery, Grayson. When the machine is broken-I am ready to go."

President Coolidge, after calling at the S street house, in company with Mrs. Coolidge, issued a proclamation of thirty days' official mourning for the death of Mr. Wilson, during which period the flags on all United States he conceived them. His acts were Course Afloat for Canadian Government buildings throughout the prompted by high motives, and his world will be flown at half-mast, and official entertainment will be sus- tioned. A despatch from Noorvik, Alaska, says: - An unprecedented mild Winter with little precipitation here has resulted in a scarcity of building material. Local Eskimo newly-weds who contemplate setting up housekeeping have been forced to journey to Kovak, where there is plenty of igloo snow. Exchanging whale and walrus blubber for the material, many shipments or sledge loads of snow have been brought here.

A despatch from Paris says:--Like everything else, the price of glory is going up in France. Hereafter the persons who have earned the high privilege of being included within the ranks of the Legion of Honor will have to pay more for their insignia.

The next President of France will have to pay 919 francs for his Grand Cross instead of 708, as he would were he elected last week. Other prices announced in the Journal Officiel include forty-two francs instead of a mere thirty-four, for the crosses of the Chevaliers; 238 francs, against 179, for Officers; the cross of the Commanders has risen from 398 francs to 520 and the medallion of the Grand Officers from 155 to 186 francs.

## Foundations Laid for Vancouver Radio Masts

Vancouver, Feb. 3.—The first step in the erection of the wireless station at Vancouver, unit of the Royal Canadian Air Force, has been completed in the laying of cement foundation for the masts. Steel for the masts, which will be 100 feet tall, has arrived from the east, and they will be erected shortly.

The new station will contain both wireless and radio sending and receiving apparatus and will be powerful enough to communicate with High; River, Alta., nearly 500 miles east.
