TORONTO PUMPS

Sporting Notes

Not much to deal with this week.

Hats off to the Granites, of Toronto—world champions.

By defeating the Newmarket team on Thursday evening last the North Toronto Intermediate O. H. A. team won the group without suffering a defeat. The score was 5-3, and the game a stubbornly-contested affair.

Take it from me—don't miss tomorrow night's opening game of the Metropolitan League; York Radials will meet Richmond Hill at the Arena—it should prove a keen contest. Admission 25c. for adults, and 15c. for children.

It will be a game worth travelling miles and miles to see—Markham at North Toronto (Richmond Hill Arena) Monday evening next. Both teams won their own group without a defeat—who will lose Monday night? The return game will be played at Markham Wednesday evening of next week. The losers in the total score will be put out of the O.H.A. championship race.

In an O.H.A. fixture at the local Arena on Tuesday evening, the Newmarket team won from the local representatives of the O. H. A. The home boys resorted to more combination team play in this game than in any game heretofore. Here's hoping they will become adepts at it, for this style of play is much more effective than individual play in the winning of games, as was evidenced in the world's championship final game in France recently between the Canadian and United States representatives. Canada won out by combination play, as also did Newmarket on Tuesday evening. We have splendid individual players (probably none better), but we are not winning game with that style.

YOUNG LADIES PRACTICE

The young ladies of the town are showing a splendid interest in hockey these days. The turnout on practice nights (Tuesday and Friday) is gratifying to all concerned, and they are improving steadily. Mrs. A. J. McLatchy, President of the Club, was an interested on-looker at Tuesday night's practice, and was much impressed by the showing made by the young ladies, it being their second attempt with the stick and puck. All are asked to be at the rink at 6.30 sharp in order to commence at 6.45 sharp. Kindly keep this in mind, young ladies.
