Office, or at other stores in the Village.

Junior League Concert

The School Room of the Methodist
Church was packed Wednesday
evening when the members of the
Junior League gave their concert, con-
sisting of songs, dialogues, drills and
other features. The pastor, Rev. H.
Warren, presided, and introduced the
numbers with pleasant remarks. The
opening address of welcome by little
Eileen Patch seemed to put everybody
in the best of humor, and this happy
spirit lasted to the end of a real
interesting entertainment. The choruses,
duets and solos were well rendered,
the recitations showed careful training,
and "Grandmother's Drill, to say the
least, was "Killing."

The boys drill, though strenuous was
well executed, but probably the most
amusing feature of the evening was
"Tom Thumb's Wedding," in which a
number of little boys and girls took
part. Before closing, Mr. Warren, ex-
pressed the thanks of the League to
Mrs. Finch who spared neither time
nor effort in training the children.
Also to Mr. Morden, Miss Rhoda
Barker, Miss L. Plewman, and all who
so ably assisted.

Young People's Society

Monday evening saw a joint meeting
of the members of the Methodist
League and of the Young People's
Society in the School Room of the
Presbyterian Church. Despite a strong
counter attraction there was a fine
attendance of members and a goodly
number interested friends. Mr. Allan
McNab, president of the Y.P.S., pre-
sided and after conducting the opening
exercises welcomed the visitors and
asked Principal Watson to act as
referee in the two contests arranged
for the evening. The first of these was
a spelling match based on words in St.
Luke's Gospel and was won after a
lengthy contest of the visitors. It was
followed by a Geography contest,
equally grilling, in which the honors
fell to the home team. Miss Comisky
and Mrs. Glass contributed to the en-
joyment of the evening by rendering
an instrumental and a vocal solo.
Friendly greetings were exchanged by
representatives of both organizations,
who voiced the general feeling that the
evening had been of unusual interest
and profit to all. Next Monday night
the chief feature of the programme is
to be a Debate on the topic—"That
Richmond Hill is a more desirable
place of residence than Toronto."

Get-together Meeting

Bills were printed and distributed in
the village calling the rate-payers to a
meeting Tuesday evening for the pur-
pose of discussing the proposed new
High School.

M. L. Teetzel, President of the Rate-
payers Association, presided. He
first called upon the members of the
Board of Education present to present
their views.

Dr. Langstaff, Chairman of the
Board, was the first to speak. He
said that like the Public School, the
High School was important to many.

In his own profession when girls
apply for admission in a hospital to
train for nurses one of the first ques-
tions asked is "Have you a High
School Education?" The same appli-
s to stenographers, office work, etc. As
we are so favorably situated with
Aurora 9 miles north; Markham 12
miles east; Weston 15 miles west, and
North Toronto 12 miles south, we are
drawing 75 per cent. of our pupils from
the county. For these the County
Grant this year will be about \$10,000.
The law calls for new High Schools
3 1/2 acres. We have purchased a
splendid new site of 4 1/2 acres for \$5,000.

The ratepayers after the by-law was
advised, voted to build the school,
the county has guaranteed the debent-
ures, tenders have been asked for,
and if satisfactory, the Board hope to
push the work along and have the
school ready for next September. A
saving would be made by having one
room which would be used for a gym-
nasium and Assembly Hall. Under
the circumstances it would not be wise
to act on a petition asking that the
work be delayed even one year.

Trustee Duncan said a new school
was absolutely necessary, but it should
be built as cheaply as possible.

Trustee Gee thought the Board were
justified in building so as to retain the
outside students from the county.

Trustee McCague considered that a
High School increased the value of
every man's property. If we do not
build, another H. S. would be built
either north or south.

Mr. Lunan favored a postponement.
That was why he circulated a petition.
We might be in a better position next
year.

Mr. D. Hill would be willing to go
ahead if the county would guarantee
the debentures for 30 years. We
need, however, more men who will till
the soil and do manual labor.

Mr. Pugsley thought our Public
School was neglected on account of
our High School. He favored separate
boards for each school.

Principal Stewart, of the High
School, spoke of the lack of accom-
modation, and said it would be im-
possible to carry on another year
under present conditions.

In reply to a question by Mr. P. C.
Hill, Dr. Langstaff said the H. S.
debentures would raise the taxes on a
\$3,000 assessment a little over \$10 a
year for 30 years.

Mr. Trench, Mr. Greene, and others,
took part in the discussion.
The meeting closed without any
resolution being passed.
