### Ramsay MacDonald

England's drink bill, notwithstanding her unemployment, is £7, 9s. per head of the population! No wonder Ramsay MacDonald said, when appealed to to oppose a Local Option Bill, on the ground that the rich man can have his wine-cellar:—"If the rich want to keep the road open to their own loss, that is their affair. No democracy ought not to say 'Because one class has such and such a right, all classes ought to claim the same right.' It is not worth it. Let us see to it that the rights the Democracy claim: that the rights the working classes claim, are rights worth having, and not rights that come with disease and cancer and vice in their train. The right to go wrong, to go down, to go astray—we will make a present of these rights to anyone who wants them.

### L. T. B. and Orange Home

Through the kindness of Messrs J. Sheardown, L. Stong, and C. Graham, 108 Boys and Girls were given a delightful sleigh ride last Friday. This treat had been looked forward to for some time and when the day really arrived everyone was on the tip toes of expectation, fearing the wind would blow too strong, or that the snow would disappear by magic, etc., but all went well, and sincere thanks of the children are given to these kind gentlemen for providing such a rare treat. Also the Board of Directors wish to thank them for the kind interest in the little ones.

Donations received with many thanks Mr. Dibbs, Jefferson, bag potatoes, bag turnips.

Mr. T. W. Sphens, Aurora, 2 bags potatoes, bag turnips.  
 Public School, Richmond Hill, Valentines for every child.

Mr. Morden, chocolates, and 40 pair hose.

### MAPLE

There was a good attendance at the monthly meeting of the Women's Institute at the home of Mrs. T. H. Keys on Wednesday of last week. After an interesting programme, Mrs. Keys served refreshments.

The house occupied by Fred Cooper and family, narrowly escaped being destroyed by fire on Friday. The fire began under a shed at the rear, but this was pulled away and the house saved.

Mr. T. H. Keys is serving on jury in Toronto.

Mr. and Mrs. Lawson Wilson entertained a number of their friends at a progressive euchre party last Friday evening.

Mr. and Mrs. W. B. Gram, of Weston, spent Saturday with friends in the village.

Mr. Jas. Rose went to Hamilton on Thursday to attend the funeral of his brother, Mr. Richard Rose who passed away in California.

The play "The Minister's Bride" presented by the Young People of Richmond Hill Presbyterian church was enjoyed by all who were present. All the parts were well taken.

## Telephone girls sell goods

A small store in a small town can train one or two of its own girls (or men) to take telephone orders on advertised goods, as the big stores do.

In one store with over 100 telephone operators, each takes telephone orders, acting as shoppers for the telephone customer. In this store as many as 3,000 telephone orders will be received in one day.

Some grocers use the same method. May we help you apply it to your business?

## To Everyman

THE first and most important aim of Everyman who desires to succeed should be the same as that of successful business and financial houses—the formation of a Reserve Fund.

A reserve is not only invaluable when reverses or emergencies arise, but it is a guarantee of strength and promotes self-confidence.

## Running Water!

When and Where You Want It

On any farm of average size at least one hour a day—36½ ten hour working days a year—are spent in the irksome, wearying task of pumping water. 36½ days which one of my Toronto Windmills will give you for profitable work, rest or recreation—besides supplying running water wherever you want it.

The one bothersome task, that of oiling the windmill in all kinds of weather, is overcome in the Toronto Self-Oiler, which requires fresh oil only "once a year." Friction and wear are practically abolished. Toronto windmills, too, can be made absolutely self-regulating in operation.

The "Toronto" Tower will stand for a lifetime because it is the heaviest, strongest and best-braced one built for any windmill.

Let me explain why I believe this is one of the biggest conveniences you can have.
