### BE CAREFUL TO-DAY

The question of personal safety is sometimes lost sight of in the rush and bustle of these times. Nothing but good can come of a general effort to reduce the losses due to accidents in this country and the idea "be careful to-day" should be carried throughout the land.

There are too many accidents, some serious and many slight, but all costly in some form or other and nearly all preventable by the exercise of ordinary care and caution. Most of us are inclined to take chances of various kinds in an effort to save a few seconds which might better be spent in taking time to be careful. An average of over two hundred accidents each day reported by industry for the past year to the Workmen's Compensation Board of this Province is the ample evidence of the need for more care, for contrary to general belief, most of these accidents do not involve contact with machinery. It is a fact that about one-third only of the accidents reported to the Compensation Board are mechanical accidents; the other two thirds being non-mechanical, such as falls, burns, scratches, strains, etc. showing clearly the personal factor in accidents and demonstrating the need for more thought. The advice "be careful to-day, for to-morrow may be too late" is well worth taking.

### The Ontario Railway and Municipal Board

(F. 9087)

IN THE MATTER of the Application of the Woodbridge and Vaughan Telephone Company, Limited, for authority to increase the charges for telephone service, as follows:

## The "New Series" Star

Star Car Models for 1924, now ready for delivery, are the outstanding achievement of the motor car industry this year. The "New Series" Star Car is as great an advance in the progress of motor transportation as the original Star Car introduced last year.

The "New Series" Star Car has all the advantages of the old. There is ample proof of performance ability. Although introduced only last year, the original Star Car has demonstrated its merits in the service of over 120,000 owners all over the world. And the "New Series" Star Car has greater claim to popularity than the old.
