

Running Water!

When and Where You Want It

On any farm of average size at least one hour a day—36½ ten hour working days a year—are spent in the irksome, wearying task of pumping water. 36½ days which one of my Toronto Windmills will give you for profitable work, rest or recreation—besides supplying running water wherever you want it.

The one bothersome task, that of oiling the windmill in all kinds of weather, is overcome in the Toronto Self-Oiler, which requires fresh oil only "once a year." Friction and wear are practically abolished. Toronto windmills, too, can be made absolutely self-regulating in operation.

The "Toronto" Tower will stand for a lifetime because it is the heaviest, strongest and best-braced one built for any windmill. Let me explain why I believe this is one of the biggest conveniences you can have.

Aug. 6—Richmond Hill at Victoria Square.

Games to start at 6 p. m. (Standard Time,) sharp.

Firemen's Association

With the object of banding together all volunteer firemen in York County, volunteers representing every section of the county met at Aurora, Saturday night and formed the York County Firemen's Volunteer Association. While serving the purpose of a fraternal organization, it will work to the end that greater efficiency may be attained by the various volunteer departments, it is stated. Preliminary arrangements were made at the meeting for the holding of a tournament, in which hose-laying, ladder-raising and dressing competitions will be the central features. The tournament is to be held at Newmarket, but the date has not yet been decided. The officers of the association are: President, Fred Doyle, Newmarket; First Vice-President, J. R. Mills, Richmond Hill; Second Vice-President, Mr. Jones; Treasurer, J. B. Saunders; Secretary, R. Browning, Aurora.

CONSTANTLY IMPROVED BUT NO YEARLY MODELS

Dodge Brothers Motor Car retains its basic design year after year.

Improvements are made constantly, but there are no radical, annual changes.

This policy protects owners from the rapid depreciation-loss which invariably attends the periodic announcement of new types.

It also enables Dodge Brothers to effect an appreciable saving in manufacture; and this saving is faithfully returned to the buyer in the form of surplus value.

Dodge Brothers Motor Cars now offered in four alternative colors at additional cost.
