Milk Inspection

At the last meeting of the Richmond Hill Board of Trade, it was stated that several complaints had been received regarding the source of our milk supply. It is true, all our milk is pasteurized, by our village milk-man, but the citizens naturally want to feel that the stables in which the cows are kept are in a sanitary condition. A resolution was passed requesting the local Board of Health to investigate the source of supply, and make a report.

Richmond Hill Again on the Map

It may not be generally known that Richmond Hill was represented at the 140th anniversary of the settlement of the Bay of Quinte district, by U. E. Loyalists, in that Mr. John Sanderson was invited to reproduce the excellent exhibit he made so attractive and appropriate at our Old Boys Reunion last August. No one can help but remember the old log cabin and the familiar farm scene of the early settler so aptly depicted and so complete in every detail. Col. W. N. Ponton, of Belleville, was so impressed with that familiar scene, when he visited, as the speaker at the unveiling of the Soldiers' Monument that he asked Mr. Sanderson to allow the exhibit to be made at their celebration. Mr. Sanderson gladly accepted the request, and no doubt it was as greatly appreciated and admired there as here. We congratulate our fellow townsman on his original design which was so much appreciated not only here but abroad.
