**Sparks Circus**

Sparks Circus will be in Toronto, on Monday and Tuesday, August 4, 5, afternoon and evening, under huge masses of canvas. The finest circus ever made by the ingenuity and courage of men, will parade and show in Toronto.

The great parade is on Monday morning at 10.30 o'clock. First of all, a real wild animal circus is a 1924 acquisition, having been imported from the world's greatest wild animal training quarters at Stellingen, Germany. Included in these displays will be found lions, tigers, leopards, polar and grizzly bears—even trained ostriches will be seen in addition to the Sparks group of sixteen "Rotation" horses, the two elephant herds, fancy gaited and posing horses, the Bibb County Pig Circus, Captain Tiebor's seals, and hosts of others of a novel nature. The circus proper opens with an elaborately staged spectacle, "Echoes from the Reign of King Tut," in which all of the

animals, performers, premier dancers and a large chorus participate. As a fitting finish to the all-feature performance, a genuine English Fox Hunt, introducing real Irish-bred high jumpers, broad jumpers, and perfectly schooled fox-hounds, will replace the old-time and very dangerous chariot races usually to be found with other circuses. Don't forget the date, Toronto, Monday and Tuesday, August 4, 5, Exhibition grounds at Dufferin Park Race Course.
