At the moving Picture Exhibit in the Park, Thursday evening, booklets were given out by the Ford Motor Company, one booklet containing an order for a prize to the value of \$25. The lucky booklet was handed to Mr. F. T. Graham of Lorne Avenue.

About 5,000 people attended the Lennox Picnic at Island Grove on Monday. There were many speakers, the principal being Hon. Arthur Meighan. It was hinted by several of the speakers that Mr. T. H. Lennox, K. O., would oppose Premier MacKenzie King of the next Dominion election.

In accordance with statute, the Assessors for Richmond Hill Union School Section, namely, T. H. Keys for Vaughan, N. Smellie for Markham, and C. A. Skeele for Richmond Hill, met a few days ago to adjust the rate for the next five years. No change was made from the former adjustment. Richmond Hill will pay 60 per cent., Markham part 23 per cent., and Vaughan, part 17 per cent.

Mr. and Mrs. John F. George, of Sparks, Nevada, are guests of Reeve T. H. Trench and Mrs. W. D. Atkinson, and have visited Mrs. Ness Mr., H. A. Nicholls and other relatives. Mr. George attended a convention in Toronto, and Mrs. George was a State delegate to the Democratic National Convention recently held in New York City. Mrs. George is also a Supreme Representative of the Pythian Sisters whose Order meets in Toronto from the 12th to the 20th of August.

Mr. and Mrs. John Palmer had the week-end and Civic Holiday visitors: Mrs. (Dr.) Wilkinson, from Dundas, formerly of Richmond Hill; Mr. G. B. Wyllie and his daughter, Mrs. Irene Healey, from Chicago, Ill.; Mr. Clarence Palmer and Miss Diamond, and Mr. Will Proctor, from Toronto. A full house and very enjoyable time. The party en bloc, were entertained at the home of Mr. Geo. Reaman, who are distant relatives of the Chicago people and Mrs. Wilkinson. Mrs. Wilkinson left Tuesday morning for her home in Dundas, Mr. Wyllie and daughter following later in day, stopping in Toronto to visit Mr. Wyllie's sister, Mrs. S. R. Hart.

Open-Air Motion Pictures

The Ford travelling motion picture exhibit visited our beautiful village on Thursday evening last and was the magnet which drew together a splendid crowd of spectators from all districts adjacent to Richmond Hill. To Mr. W. G. Baldock, the local Ford dealer, must go the credit for securing the exhibit for the amusement and edification of the people who were fortunate enough to be present. The proceedings commenced with a parade of new Ford models of different types, an up-to-date emergency Ford truck, etc., all of which was headed by the York Rangers Reserve Band. The parade ended at the Park, where the pictures were shown in the open air, and these were of such a variety that all manner of tastes and whims were satisfied. There was a good two-part comedy entitled "She's a He"; there was a film of adventure entitled "An Alligator Hunt"; there were films of rugged and beautiful waterways, and on the surface of the different waterways was shown the different craft travelling them—freighters of all kinds and descriptions, large passenger steamers, sailboats, houseboats, pleasure launches, and such like. But the educational films (those which broaden the mind and develop the intellect by setting the thinking parts in motion)—they, the educational films, were worth while. Figures in connection with the manufacture of Ford cars (the daily consumption of coal, lumber, leather, steel, etc., at the plants; the number of hands employed, the daily wage scale; the daily output of Ford cars, six thousand six hundred and some odd; the vast areas of timber lands and coal lands owned by the company; the yearly expenditure for freight transportation, etc.) these figures were enough to stagger the imagination, but are undoubtedly correct. Some splendid views of the many different ma-

chines at work in the plant at Ford, Ont., were shown, some of which actually seemed to be imbued with thought and possessed with brain and reason, especially the nut-trimmer; it was attending to its own work unattended by man and handling each and every bolt separately. Surely such pictures as the foregoing are well worth while in every sense. Today, in Canada, the Ford industry appears to be an intimate part of the national life. It provides a livelihood for some 30,000 souls—Ford workers and their dependants. It brought last year over \$16,000,000 to Canada in export trade, and it paid over \$4,000,000 into the national treasury in the form of revenue. The total Canadian Ford investment is now over \$20,000,000—all of which the writer considers worth while to Canada and its people. The programme was brought to a close at 11.30. Let us have more such pictures and our faith in Canada and its industries, etc., will be revived wonderfully.

"Where do we sleep?"

"Has someone called up by Long Distance and reserved our rooms?"

If not, you will be running a greater risk this year than last. Some of the party have been looking forward for weeks, perhaps, to this trip. Double their enjoyment with the definite assurance of a good night's sleep.

Reserve your rooms by Long Distance — always — and make sure they will be waiting for you — in just a few minutes you will know.
