### Village Council

November 11, 1921.

Council met pursuant to adjournment in the Clerk's office, all the members present.

A deputation from the Board of Education was present with reference to monies obtained from the sale of the High School Debentures. After considerable discussion the Board agreed to submit a statement of the expense of construction of the new High School for the consideration of Council.

The question of a drain on Centre Street was then taken up and on motion of Councillor Greene seconded by Councillor Pugsley and carried, the petition for the drain was accepted and it was decided to proceed with the work at once. That the drain be laid with with 6 inch tile by day labour under the supervision of the Waterworks Engineer.

The matter of wilful destruction of property in the village was discussed at some length and the Council went on record as being determined to put an end to this sort of vandalism, and of prosecuting any person found guilty of such to the full extent of the law.

The Reeve introduced the matter of more adequate accommodation for village business, the question was discussed at some length but nothing definite was arrived at. It was decided that Councillor Greene be instructed to improve Wright Street by the addition of two or three loads of gravel, and also to arrange for some work on Lucas Street and Mill Street. Council adjourned.

### King and Vaughan Plowing Match

Large Attendance—Good Work

The King and Vaughan Branch of the Ontario Plowmen's Association had a most successful match on the farm of Mr. Geo. Coutts, one and a half miles north of Teston, last Friday. The day was fine, the attendance was large, and 43 plowmen were engaged in the competition. Although some of the lands were hard and lumpy, the expert judges said the work was particularly creditable.

A number of splendid teams were well harnessed, and the judges spent considerable time in selecting the winners.

After the plowing was finished and judged a tempting supper was served in the Hall by the Ladies Aid of Teston Methodist Church, where the names of the successful competitors were read by the Secretary, Mr. W. O. McDonald, and the prizes paid.

The following is the prize list:
