Children's Clinic now open.

Consultations Free.

Social Evening

The regular monthly meeting of the Horticultural Society took the form of a social evening at the home of Mr. and Mrs. I. D. Ramer, Roseview Avenue, last Tuesday evening. A pleasant hour was taken up with a floral contest which was both interesting and educative. Refreshments followed, and before leaving the host and hostess were warmly thanked for throwing open their house for the entertainment.

Won Scholarships

Miss Lorna M. Raymer, of Stouffville, a pupil of the Markham High School, was this year declared winner of the eleventh award of the scholarships provided for by the will of the late J. I. Carter, of Sarnia. The scholarships are awarded to the three candidates in each of twenty-four counties named in Ontario who obtained the highest marks on not more than ten papers of the 1924 annual Upper School examinations. Miss Ramer, who is a niece of Mrs. E. Grant of the Hotel Richmond, secured seven firsts and three thirds, winning the first prize of \$100. The two other York County winners were: M. Edgar Burch, Scarborough (\$80.00), and Miss Jean S. Reesor, Markham (\$40.00).

Accident Near Willowdale

Maud Stapley, aged 12 years, and her sister, Dorothy, aged 18 years, living in Willowdale, were injured on Sunday afternoon when struck by an automobile at Stop 9, Yonge Street. Maud Stapley received serious head injuries and was taken to the Hospital for Sick Children, where Sunday night she was in a semi-conscious condition. Her sister, when taken to the General Hospital, was found to be suffering from shock, and was not admitted.

The girls were crossing Yonge Street when an automobile, south-bound, driven by Frank Rutherford, 83 Oriole Road, struck them. Rutherford had seen the girls and applied the brakes but his car skidded on the icy pavement and swinging round, hit them. One wheel broke, and the car turned on its side.

Presbyterian Y. P. S.

The programme of the Y. P. S., on Monday evening last, was of a very high order. Its central idea was the struggle against slavery in the U. S., as mirrored in Mrs. Stowe's book, "Uncle Tom's Cabin." Miss Johnston gave a most vivid picture of the social and political situation. Robert Marsh read a paper on Mrs. Stowe's life prepared by Miss Lenoax. Miss Ivy Smith told the story of Uncle Tom, and Miss F. Drury gave an amusing reading about Topsy. An instrumental duet, "The Dance of the Pickaninnies," was rendered by Miss M. Cooper and Miss F. Drury. A solo by Miss M. Watson, "Smiling Through," completed the programme.

Next Monday night the Society invites the public to enjoy a programme contributed by leading American artists, through the kindness of Messrs. Baldock and Teetzel, who are transferring their radio set to the School Room for this occasion.

Fatal Auto Accident

Edward Temple, 21 years of age, was killed, and Dorothy White, sustained a fracture of the collar-bone, when two autos met in collision Sunday afternoon about 4 o'clock, at the Metropolitan Railway crossing at Langstaff. Both victims were residents of Toronto.

Temple was driving one car and C. B. Dykes, the other. Both machines were wrecked. A slippery pavement was blamed as the cause of the accident, which occurred when Dykes's car, south-bound, skidded and slewed around directly in front of the auto driven by Temple.

After the collision, Temple was rushed to Dr. Wesley's office, Thornhill, where he died half an hour afterwards, his skull being fractured. Miss White was conveyed to the General Hospital.

Eyewitnesses of the collision were inclined to place the blame of the fatality on the icy roadway. With the sudden drop in temperature, following alternating snowfalls and sunshine, the roadway became icy at many points.

DEATHS

SISLEY—On Tuesday, November 18, 1924, Betty Sisley, daughter of Dr. and Mrs. O. Sisley, at her home, 654 Kingston Road.

What We Have to Offer

NO ONE chartered Bank in Canada has anything greater to offer the business community than its contemporaries unless it be in the character of the service it renders. During the half-century of its life, the Standard Bank has developed a distinct individuality through the kind of service maintained in its daily transactions. The commercial aspect of this individuality is found in the many unique services for which the Standard Bank is peculiarly equipped.
