Dollars in Your Pocket Through Time Saved

You've no idea the time saved with a Toronto Engine and a Toronto Grain Grinder on your farm. Think of how much quicker an engine will do the work when attached to your pulper, grinder, saw, cutting box, cream separator, fanning mill or pump. It's a steady worker, requires little attention, operates economically on kerosene.

With a Toronto Grain Grinder, too, you'll save hours on every trip to the mill. I know it will fill your needs, either for coarse or fine chop, efficiently and economically. All built with extra capacity.

I'll be glad to discuss these—or any other Toronto labor-saving equipment—at any time. Or let me give you some free literature.

Since the Plebiscite vote was taken it had been rumored in a certain quarter that Mr. T.L. Church, M.P., would again enter the list as a candidate for the Toronto Mayoralty, on the wet ticket. But the ex-Mayor gave a direct denial to the rumor, to a reporter on a daily paper. Mr. Church is reported as saying: "I have never sought the position, nor have I ever, on any occasion, expressed to any one a desire to run nor have I ever thought of doing so." It would seem that people wish to keep the ex-Mayor in the limelight, whether he wish it or not.

RUGBY TOO ROUGH

A strong sentiment appears to be growing in favor of changing the rugby rules so as to make them more suitable for High school students among whom there have been many accidents, serious and otherwise during games this season. Many parents have made complaints to High school principals in regard to the roughness of the game, those taking part running the risk of being crippled for life. It is to be hoped that something will be done to make the game less dangerous. Everybody believes in clean athletics, but when it gets to be brutal it ceases to be sport.

HOPE

Anniversary services will be held in Hope Methodist Church next Sunday, at 2.30 and 7. Rev. A. F. Eagle, of Fairbank Methodist Church, will conduct both services. The male quartette of Woodbridge will assist the choir at both services.

MAPLE

There will be a Communion Service in the Methodist Church, Maple, next Sunday morning, but owing to Hope anniversary the service in the evening will be withdrawn.

The congregations of St. Andrew's and St. Paul's Churches have extended a call to Rev. Mr. Bowman, of Crowland, to become their pastor.

NEWTON BROOK

The District Executive of the Toronto Central League visited the League at Newtonbrook last Monday evening and took charge of the programme. Mr. Davidson, the President of the District League, was in the chair, and he was supported by nearly all the other official members—Misses Fenwick, Cranford, Stevens, Withrow, and Mr. Davenport all taking part in the programme. Mr. Whale sang a special solo, which was much appreciated. Mr. Sato, a Japanese, gave an account of missionary work in his home land. Mr. Davenport emphasized the coming rally of the northern leagues at Richmond Hill on December 8th, and also suggested that arrangements be made even now for a delegation to attend the Summer School at Elgin House next July. Refreshments were served, and a pleasant social hour was spent.

Next Sunday evening the Rev. J. R. Earle, B.A., a missionary on furlough from China, will speak at the Newtonbrook Methodist Church.

The first "Fireside Service" was held last Sunday evening. In spite of the inclement weather a large number of people attended. The Challenge of the Cross was presented in a series of slides on the Life of Christ. It was by the way of sacrifice that He brought blessing to the world, and His challenge is that whosoever would do likewise will also go the way of sacrifice and take up his own cross and prove his divine spark of fellowship in a life of Christ-like service. A special duet was sweetly sung by Misses Tate and Wiltshire.

Next Sunday evening Mr. Earle is expected to show some slides on his work in China, and the Pike Brothers will sing.

On Thursday, Nov. 27th, the Joy Bells are putting on a tea and a lecture. You will find something very sociable and interesting. Come.

Thursday, Dec. 18th, has been the date chosen by the Sunday School Executive for their Christmas S. S. entertainment.

"How's your husband getting along, Mrs. Fogger?" asked a neighbor of a woman whose husband was a permanent invalid.

"Well, sometimes he's better and sometimes he's worse," replied Mrs. Fogger. "But from the way he growls and takes on when he's better, I think he's better when he's worse."

FOR SALE—A large quantity of baled hay price \$14.00 per ton, or less than that amount 75 cents per hundred, and a large quantity of baled oat straw \$10 per ton. ISAAC WALTERS, Mill St., Phone 35 r 3. 20-22

Hospital for Sick Children

67 COLLEGE ST., TORONTO

Dear Mr. Editor:—

Your readers have probably had their appetite for statistics satiated during the past few months. Still they will, no doubt, want to know something of the work accomplished by the hospital to which they have so generously contributed in the past. They are shareholders in a Mission of Mercy. Their dividends are not paid in coin of the realm. May I trespass upon your space to outline what those dividends are?

Firstly, the daily average of children occupying cots in the Hospital for Sick Children was 255. The total cared for as in-patients was 6,397. That is equivalent to the population of a good-sized Ontario town.

And secondly, the out-patient department. This is a wing of offices given over to consultation and minor operations. On an average there were 190 young callers a day.

That is where the dividends are earned—in the difference made in the lives of thousands of children through the voluntary contributions which render it possible to maintain an institution where pallid cheeks become rosy and twisted limbs are made straight.

If that were not dividend enough, one might try to estimate the enormous salvage of child-life in Ontario which has taken place since "Sick Kids" doctors and "Sick Kids" nurses have been going out through this province equipped with a knowledge of children's diseases, which they could not get except in some such highly specialized and pre-eminently efficient institution as the Hospital for Sick Children.

On this year's service the Hospital expended \$345,126 and finds itself in the hole to the extent of \$134,284. What comes in around Christmas-time keeps the Hospital going. So long as the word "Christmas" retains its original significance could any charity possibly enlist more of the sympathy of your readers or entitle itself to more of their support?

Faithfully yours,

I. E. ROBERTSON,
Chairman Appeal Committee
